Beyond Mothering Earth Sherilyn Macgregor, 2011-11-01 Women s environmental activism is often described in maternalist terms as if motherhood and caring for the environment go hand in hand While feminists celebrate this connection women and all those who care for people and environments are facing increasing burdens and decreasing time for civic engagement In Beyond Mothering Earth MacGregor argues that celebrations of earthcare as women s unique contribution to the search for sustainability often neglect to consider the importance of politics and citizenship in women s lives Drawing on interviews with women who juggle private caring with civic engagement in quality of life concerns she proposes an alternative a project of feminist ecological citizenship that affirms the practice of citizenship as an intrinsically valuable activity while recognizing the foundational aspects of caring labour and natural processes that allow its specificity to flourish Beyond Mothering Earth provides an original and empirically grounded understanding of women s involvement in quality of life activism and an analysis of citizenship that makes an important contribution to contemporary discussions of green politics globalization neoliberalism and democratic

justice It will be of value to scholars and activists interested in the politics of environmental sustainability and the shifting meanings of citizenship in an increasingly vulnerable world      **Beyond the Ancient Quarrel** Patrick Hayes, Jan Wilm, 2017 In Plato's Republic Socrates spoke of an ancient quarrel between literature and philosophy which he offered to resolve once and for all by banning the poets from his ideal city Few philosophers have taken Socrates at his word and out of the ancient quarrel there has emerged a long tradition that has sought to value literature chiefly as a useful supplement to philosophical reasoning The fiction of J M Coetzee makes a striking challenge to this tradition While his writing has frequently engaged philosophical subjects in explicit ways it has done so with an emphasis on the dissonance between literary expression and philosophical reasoning And while Coetzee has often overtly engaged with academic literary theory his fiction has done so in a way that has tended to disorient rather than affirm those same theories wrong footing the normal processes of literary interpretation This volume brings together philosophers and literary theorists to reflect upon the challenge Coetzee has made to their respective disciplines and to the disciplinary distinctions at stake in the ancient quarrel The essays use his fiction to explore questions about the boundaries between literature philosophy and literary criticism the relationship between literature theology and post secularism the particular ways in which literature engages reality how literature interacts with the philosophies of language action subjectivity and ethics and the institutions that govern the distinctions between literature and philosophy It will be of importance not only to readers of Coetzee but to anyone interested in the ancient quarrel itself      **Radical Reconciliation: Beyond Political Pietism and Christian Quietism** Allan Aubrey

**Easter, and Beyond** Chad Hager, 2017-03-21 We know people whose eyesight limits them to reading only text written in large print or who may be completely dependent on caregivers to read aloud to them yet they cling faithfully to God's Word as their life and their light This book is for them Thank God for so great a cloud of witnesses A preview of what's inside Sermon 1 Easter is known for a single event the resurrection of Jesus Christ But did any other events take place on that day Lots

Sermon 3 After the resurrection did Jesus just go into retirement Did he just decide to sit back and watch how events would unfold Not hardly Sermon 5 Just add Jesus sounds like a phrase from a cookbook Well if it is then God is the gourmet chef who preparest a table before me Sermon 6 Christian perseverance We started inspired by Jesus sacrifice on the cross We made it this far sustained by the risen Christ Now we need to finish strong looking forward to the home Jesus has prepared for us Sermon 7 Islam is not just another religion Islam is the only religion with a holy book that specifically denies that Jesus was crucified and resurrected Sermon 9 I know I get joy from things like seeing a friend succeed or watching a child open a present But what is this thing called the joy of the Lord Sermon 10 Scientists take pride in giving us the history of the universe from a scientific perspective going from the big bang to the formation of the solar system to the final end of everything But theologians dont often try to give the big picture of the universe from a Christian perspective So lets fill that gap

fraternal order and labor union It was the only nineteenth century labor organization to organize African Americans women and unskilled workers on an equal basis with white craftsmen Weir goes beyond the rhetoric of public pronouncements and union politics to consider the real influence of the Knights in communities and homes as well as in the workplace Weir explores the many cultural expressions of the Knights ritual religion poetry music literature material objects graphics and leisure Although the Knights barely survived into the twentieth century Weir concludes that the creative cultural expressions of the Knights enabled it to do as well as it did in the face of powerful oppositional forces What emerges in Beyond Labor's Veil is a rich detailed description of the Knights as its members adapted to the confusion and contradiction of America's Gilded Age
