Eating the Dinosaur Chuck Klosterman, 2009-10-20 After a bestselling and acclaimed diversion into fiction Chuck Klosterman author of Sex Drugs and Cocoa Puffs returns to the form in which he's been spectacularly successful with a collection of essays about our consumption of pop culture and sports Q What is this book about A Well that's difficult to say I haven't read it yet I've just picked it up and casually glanced at the back cover There clearly isn't a plot I've heard there's a lot of stuff about time travel in this book and quite a bit about violence and Garth Brooks and why Germans don't laugh when they're inside grocery stores Ralph Nader and Ralph Sampson play significant roles I think there are several pages about Rear Window and college football and Mad Men and why Rivers Cuomo prefers having sex with Asian women Supposedly there's a chapter outlining all the things the Unabomber was right about but perhaps I'm misinformed Q Is there a larger theme A Oh something about reality What is reality maybe No that's not it Not exactly I get the sense that most of the core questions dwell on the way media perception constructs a fake reality that ends up becoming more meaningful than whatever actually happened Also Lady Gaga Q Should I read this book A Probably Do you see a clear relationship between the Branch Davidian disaster and the recording of Nirvana's In Utero Does Barack Obama make you want to drink Pepsi Does ABBA remind you of AC/DC If so you probably don't need to read this book You probably wrote this book But I suspect everybody else will totally love it except for the ones who totally hate it

My Friend Dahmer Derf Backderf, 2012-03-05 A national bestseller Derf Backderf's Alex Award winner My Friend Dahmer is the bone chilling graphic novel that inspired the major motion picture You only think you know this story In 1991 Jeffrey Dahmer the most notorious serial killer since Jack the Ripper seared himself into the American consciousness To the public Dahmer was a monster who committed unthinkable atrocities To Derf Backderf Jeff was a much more complex figure a high school friend with whom he had shared classrooms hallways and car rides In My Friend Dahmer a haunting and original graphic novel writer artist Derf Backderf creates a surprisingly sympathetic portrait of a disturbed young man struggling against the morbid urges emanating from the deep recesses of his psyche a shy kid a teenage alcoholic and a goofball who never quite fit in with his classmates With profound insight what emerges is a Jeffrey Dahmer that few ever really knew and one readers will never forget Also available by Derf Backderf Trashed Kent State Four Dead in Ohio

The Nineties Chuck Klosterman, 2022-02-08 An instant New York Times bestseller Informative endlessly entertaining BuzzFeed Generation X's definitive chronicler of culture GQ From the author of But What If We're Wrong comes an insightful funny reckoning with a pivotal decade It was long ago but not as long as it seems The Berlin Wall fell and the Twin Towers collapsed In between one

presidential election was allegedly decided by Ross Perot while another was plausibly decided by Ralph Nader Landlines fell to cell phones the internet exploded and pop culture accelerated without the aid of technology that remembered everything It was the last era with a real mainstream to either identify with or oppose The 90s brought about a revolution in the human condition and a shift in consciousness that we're still struggling to understand Happily Chuck Klosterman is more than up to the job In The Nineties Klosterman dissects the film the music the sports the TV the pre 9 11 politics the changes regarding race and class and sexuality the yin yang of Oprah and Alan Greenspan and almost everything else The result is a multidimensional masterpiece a work of synthesis so smart and delightful that future historians might well refer to this entire period as Klostermanian

Raised in Captivity Chuck Klosterman, 2019-07-16 Microdoses of the straight dope stories so true they had to be wrapped in fiction for our own protection from the best selling author of *But What if We're Wrong* A man flying first class discovers a puma in the lavatory A new coach of a small town Oklahoma high school football team installs an offense comprised of only one very special play A man explains to the police why he told the employee of his local bodega that his colleague looked like the lead singer of Depeche Mode a statement that may or may not have led in some way to a violent crime A college professor discusses with his friend his difficulties with the new generation of students An obscure power pop band wrestles with its new found fame when its song *Blizzard of Summer* becomes an anthem for white supremacists A couple considers getting a medical procedure that will transfer the pain of childbirth from the woman to her husband A woman interviews a hit man about killing her husband but is shocked by the method he proposes A man is recruited to join a secret government research team investigating why coin flips are no longer exactly 50 50 A man sees a whale struck by lightning and knows that everything about his life has to change A lawyer grapples with the unintended side effects of a veterinarian's rabies vaccination Fair warning *Raised in Captivity* does not slot into a smooth preexisting groove If Saul Steinberg and Italo Calvino had adopted a child from a Romanian orphanage and raised him on Gary Larsen and Thomas Bernhard he would still be nothing like Chuck Klosterman They might be good company though Funny wise and weird in equal measure *Raised in Captivity* bids fair to be one of the most original and exciting story collections in recent memory a fever graph of our deepest unvoiced hopes fears and preoccupations Ceaselessly inventive hostile to corniness in all its forms and mean only to the things that really deserve it it marks a cosmic leap forward for one of our most consistently interesting writers

I Wear the Black Hat Chuck Klosterman, 2013-07-09 The cultural critic questions how modern people understand the concept of villainy describing how his youthful idealism gave way to an adult sympathy with notorious cultural figures to offer insight into the appeal of anti heroes
