The Mystical Experience In Abraham Abulafia By Moshe Idel:

The Mystical Experience in Abraham Abulafia Moshe Idel, 2012-02-01 This book represents the first wide scale presentation of a major Jewish mystic the founder of the ecstatic Kabbalah It includes a description of the techniques employed by his master including the role of music There is a discussion of the characteristics of his mystical experience and the erotic imagery by which it was expressed Based on all the extant manuscript material of Abulafia this book opens the way to a new understanding of Jewish mysticism It points to the importance of the ecstatic Kabbalah for the later developments in mystical Judaism

Abraham Abulafia's Esotericism Moshe Idel, 2020-10-12 The series Studies and Texts in Scepticism contains monographs translations and collected essays exploring scepticism in its dual manifestation as a purely philosophical tradition and as a set of sceptical strategies concepts and attitudes in the cultural field especially in religions perhaps most notably in Judaism In such cultural contexts scepticism manifests as a critical attitude towards different dimensions and systems of secular or revealed knowledge and towards religious and political authorities It is not merely an intellectual or theoretical worldview but a critical form of life that expresses itself in such diverse phenomena as religion literature and society Further book series of the Maimonides Centre for Advanced Studies are Jewish Thought Philosophy and Religion and the Yearbook of the Maimonides Centre for Advances Studies

The Mystical Experience in Abraham Abulafia Moshe Idel, 1988 This book represents the first wide scale presentation of a major Jewish mystic the founder of the ecstatic Kabbalah It includes a description of the techniques employed by his master including the role of music There is a discussion of the characteristics of his mystical experience and the erotic imagery by which it was expressed Based on all the extant manuscript material of Abulafia this book opens the way to a new understanding of Jewish mysticism It points to the importance of the ecstatic Kabbalah for the later developments in mystical Judaism

An Existentialist Theory of the Human Spirit (Volume 2) Shlomo Giora Shoham, 2020-07-22 This second volume examines how sexual mores and behavior religious dogma and practice and literary creativity and authenticity have influenced and been influenced by the existentialist thought of Kierkegaard Heidegger Sartre Nietzsche Husserl and Buber and the writings of Camus Dostoevsky Beckett Shostakovich Berdyaev and Tillich It compares human and cultural attributes with the attributes of pagan and monotheistic Gods and Buddhist Gnostic Christian and Muslim mysticism with Jewish Kabbalah It explains society's harsh treatment of Vincent van Gogh and Antonin Artaud and analyzes the existentialist approach to existence absurdity human dialogue cosmology and quantum mechanics It will appeal to students and professionals in fields as diverse as philosophy psychology sociology anthropology religion law art drama literature cosmology and physics

Time and Eternity in Jewish Mysticism Brian Ogren, 2015-01-27 Time and eternity are concepts that have occupied an important place within Jewish mystical thought This present volume gives pride of place to these concepts and is one of the first works to bring together diverse voices on the subject It offers a multivalent picture of the topic of time and eternity not only by including contributions from an array of

academics who are leaders in their fields but by proposing six diverse approaches to time and eternity in Jewish mysticism the theoretical approach to temporality philosophical definitions the idea of time and pre existence the idea of historical time the idea of experiential time and finally the idea of eternity beyond time This multivocal treatment of Jewish mysticism and time as based on variant academic approaches is novel and it should lay the groundwork for further discussion and exploration

Studies in Ecstatic Kabbalah Moshe Idel, 1988-01-01 This book presents important topics regarding the more mystical trend of Kabbalah the ecstatic Kabbalah It includes the mystical union the world of imagination and concentration as a spiritual technique The emphasis in the text is on the interaction between the original Spanish stage of Kabbalah and Muslim mysticism in the East mainly in the Galilee The influence of the Kabbalistic Sufic synthesis on the later developments of Jewish mysticism is traced thereby providing a more precise understanding of the history of Kabbalah as an interplay between the theosophical and ecstatic mystical experiences

Imagery Techniques in Modern Jewish

Mysticism Daniel Reiser, 2018-07-09 This book analyzes and describes the development and aspects of imagery techniques a primary mode of mystical experience in twentieth century Jewish mysticism These techniques in contrast to linguistic techniques in medieval Kabbalah and in contrast to early Hasidism have all the characteristics of a full screenplay a long and complicated plot woven together from many scenes a kind of a feature film Research on this development and nature of the imagery experience is carried out through comparison to similar developments in philosophy and psychology and is fruitfully contextualized within broader trends of western and eastern mysticism

Abraham Abulafia Moshe Idel, 2002 Jewish

Mysticism and Kabbalah Frederick E. Greenspahn, 2011-11-01 Over the past generation scholars have devoted increasing attention to the diverse forms that Jewish mysticism has taken both in the past and today what was once called nonsense by Jewish scholars has generated important research and attention both within the academy and beyond as demonstrated by the popular fascination with figures such as Madonna and Demi Moore and the growing interest in spirituality In Jewish Mysticism and Kabbalah leading experts introduce the history of this scholarship as well as the most recent insights and debates that currently animate the field in a way that is accessible to a broad audience From mystical outpourings in ancient Palestine to the Kabbalah Centre and from attitudes towards gender to mystical contributions to Jewish messianic movements this volume explores the various expressions of Jewish mysticism from antiquity to the present day in an engaging style appropriate for students and non specialists alike

Studies in Medieval Jewish Intellectual and Social

History David Engel, Lawrence H. Schiffman, Elliot R. Wolfson, 2012-01-20 For more than four decades Robert Chazan has been a copious source of original insights into the history and culture of medieval European Jewry challenging conventional wisdom with profound erudition and sober analysis In this volume thirteen leading Judaicists and medievalists engage subjects that have been of particular concern to Professor Chazan during his distinguished career the history of the Jewish communities in Western Christendom during the Middle Ages Jewish Christian interactions in medieval Europe medieval

Jewish Biblical exegesis and religious literature and historical representations of the experience of medieval Jewry Taken together they offer a comprehensive portrait of the state of the field of medieval Jewish studies *“And They Shall Be One Flesh”: On The Language of Mystical Union in Judaism* Adam Afterman,2016-08-29 In *And They Shall Be One Flesh* On the Language of Mystical Union in Judaism Adam Afterman offers an extensive study of mystical union and embodiment in Judaism Afterman argues that Philo was the first to articulate the notion of unio mystica in Judaism and is the source of the hen sis mysticism in the later Neoplatonic tradition The study provides a detailed analysis of the Jewish medieval trends that developed different forms of mystical union and mystical embodiment through the divine name and spirit The book argues that the development of unitive mysticism in Judaism is the fruit of the creative synthesis of rabbinic Judaism and Hellenistic and Arab philosophy and a natural outcome of the theological articulation of the idea of monotheism itself **Suffering Time: Philosophical, Kabbalistic, and Hasidic Reflections on Temporality** Elliot R. Wolfson,2021-05-25 No one theory of time is pursued in these essays but a major theme that threads them together is Wolfson s signature idea of the timeswerve as a linear circularity or a circular linearity expressions that are meant to avoid the conventional split between the two temporal modalities of the line and the circle The conception of time elicited by Wolfson from a host of philosophical and mystical sources both Jewish and non Jewish buttresses the contention that it is precisely structural invariability that engenders interpretive variation This hermeneutical axiom is justified in turn by the presumption regarding the cadence of time as the constant return of what has always been what is yet to be The telling of time wells forth from the time of telling One cannot speak of the being of time consequently except from the standpoint of the time of being nor of the time of being except from the standpoint of the being of time **Western Esotericism and the Science of Religion** International Association for the History of Religions. Congress,International Association for the History of Religions,1998 This volume is based upon papers read during the innovative section Western Esotericism and the Science of Religion organized at the 17th International Congress of the International Association for the History of Religions IAHR in Mexico City August 5 12 1995 The section was created in order to fill a long standing hiatus in the academic study of religions whereas phenomena such as gnosticism and hermetism in antiquity and even the occult sciences of that period have long been recognized as subjects worthy of serious investigation the history of similar and related phenomena in more recent periods has hardly received the same measure of scholarly attention and recognition The present volume is devoted to the academic emancipation of these areas as constituting a legitimate domain of research which may be referred to by the generic label western esotericism Preceded by an introductory essay on the birth of this new discipline in the study of religion the volume provides a sample of current research in the field and devotes special attention to some central methodological questions **Mysticism and Sacred Scripture** Steven T. Katz,2000-11-02 This is the fourth volume in an influential series that presents a basic revaluation of the nature of mysticism Each provides a collection of solicited papers by noted experts in the study of religion

This new volume will explore how the great mystics and mystical traditions use interpret and reconstruct the sacred scriptures of their traditions

The Cambridge Companion to Jewish Theology Steven Kepnes, 2020-12-17 A comprehensive review of the entire tradition of Jewish Theology from the Bible to the present from leading world scholars

Lessons from the Kabbalah and Jewish History Josef Bláha, 2010 **Light Is Sown** Avishai Bar-Asher, Jeremy Phillip Brown, 2025 In a ground breaking monograph length examination of the medieval kabbalah scholars Avishai Bar Asher and Jeremy Phillip Brown examine the intellectual insights of Moses de Le n presumed author of the Zohar Through cutting edge research and analysis the authors extrapolate fresh interpretations of one of ancient history s most notable works with unprecedented clarity

Gershom Scholem's Major Trends in Jewish Mysticism 50 Years After Peter Schäfer, Joseph Dan, 1993 Sponsored by the Gershom Scholem Center for the Study of Jewish Mysticism **The Oxford Dictionary of the Jewish Religion** Adele Berlin, 2011 Hailed by Library Journal as the best ready reference access point to the Jewish religion and as essential by CHOICE in its First Edition The Oxford Dictionary of the Jewish Religion has been the go to resource for students scholars and researchers in Judaic Studies since its 1997 publication Now The Oxford Dictionary of the Jewish Religion Second Edition focuses on recent and changing rituals in the Jewish community that have come to the fore since the 1997 publication of the First Edition including the growing trend of baby naming ceremonies and the founding of gay lesbian synagogues Under the editorship of Adele Berlin nearly 200 internationally renowned scholars have created a new edition that incorporates updated bibliographies biographies of 20th century individuals who have shaped the recent thought and history of Judaism and an index with alternate spellings of Hebrew terms Entries from the previous edition have been be revised new entries commissioned and cross references added all to increase ease of navigation research The Dictionary covers more than three millennia of Jewish religious thought custom law and practice from traditional approaches to Reform Conservative Reconstructionist and post denominational Judaism Brief definitions and longer essays all supplemented with bibliographies enlighten readers about the major figures folklore and events in the history of Judaism throughout the world

The Sabbatean Prophets Matt GOLDISH, Matt Goldish, 2009-06-30 In the mid seventeenth century Shabbatai Zvi a rabbi from Izmir claimed to be the Jewish messiah and convinced a great many Jews to believe him The movement surrounding this messianic pretender was enormous and Shabbatai s mission seemed to be affirmed by the numerous supporting prophecies of believers The story of Shabbatai and his prophets has mainly been explored by specialists in Jewish mysticism Only a few scholars have placed this large scale movement in its social and historical context Matt Goldish shifts the focus of Sabbatean studies from the theology of Lurianic Kabbalah to the widespread seventeenth century belief in latter day prophecy The intense expectations of the messiah in Christianity Judaism and Islam form the necessary backdrop for understanding the success of Sabbateanism The seventeenth century was a time of deep intellectual and political ferment as Europe moved into the modern era The strains of the Jewish mysticism Christian millenarianism scientific innovation and

political transformation all contributed to the development of the Sabbatean movement By placing Sabbateanism in this broad cultural context Goldish integrates this Jewish messianic movement into the early modern world making its story accessible to scholars and students alike Table of Contents Preface Prologue 1 Messianic Prophecy in the Early Modern Context 2 Nathan of Gaza and the Roots of Sabbatean Prophecy 3 From Mystical Vision to Prophetic Explosion 4 Opponents and Observers Respond 5 Prophecy after Shabbatai's Apostasy Notes Index Reviews of this book Goldish looks at the Jewish messianic surge of the 17th century which culminated with the Sabbatean movement and places it in a broader multidimensional context He has produced a well written scholarly addition and modification to the literature Paul Kaplan Library Journal
