[The Japanization of Modernity](#) Rebecca Suter, 2020-03-17 Murakami Haruki is perhaps the best known and most widely translated Japanese author of his generation Despite Murakami s critical and commercial success particularly in the United States his role as a mediator between Japanese and American literature and culture is seldom discussed Bringing a comparative perspective to the study of Murakami s fiction Rebecca Suter complicates our understanding of the author s oeuvre and highlights his contributions not only as a popular writer but also as a cultural critic on both sides of the Pacific Suter concentrates on Murakami s short stories less known in the West but equally worthy of critical attention as sites of some of the author s bolder experiments in manipulating literary and everyday language honing cross cultural allusions and crafting metafictional techniques This study scrutinizes Murakami s fictional worlds and their extraliterary contexts through a range of discursive lenses modernity and postmodernity universalism and particularism imperialism and nationalism Orientalism and globalization By casting new light on the style and substance of Murakami s prose Suter situates the author and his works within the sphere of contemporary Japanese literature and finds him a prominent place within the broader sweep of the global literary scene

The Oxford Book of Japanese Short Stories Theodore William Goossen, 2002 Beginning with the first writings to assimilate and rework Western literary traditions through the flourishing of the short story genre in the cosmopolitan atmosphere of the Taisho era to the new breed of writers produced under the constraints of literary censorship and the current writings reflecting the pitfalls and paradoxes of

modern life this anthology offers a stimulating survey of the entire development of the Japanese short story **Existence, Historical Fabulation, Destiny** Anna-Teresa Tymieniecka, 2009-06-18 Surging from the ontopoietic vital timing of life human self consciousness prompts the innermost desire to rise above its brute facts Imaginatio creatrix inspires us to fabulate these facts into events and plots with personal significance attempting to delineate a life course in life stories within the ever flowing stream existence Seeking their deep motivations causes and concatenations we fabulate relatively stabilized networks of interconnecting meaning history But to understand the meaning and sense of these networks reconfigurations call for the purpose and telos of our endless undertaking they remain always incomplete carried onwards with the current of life while fluctuating with personal experience in the play of memory Facts and life stories subjective desires and propensities the circumambient world in its historical moves creative logos and mythos personal freedom and inward stirrings thrown in an enigmatic interplay prompt our imperative thirst for the meaning of this course its purpose and its fulfillment the sense of it all To disentangle all this animates the passions of the literary genius The focus of this collection is to isolate the main arteries running through the intermingled forces prompting our quest to endow life with meaning Papers by Jadwiga Smith Lawrence Kimmel Alira Ashvo Munoz William D Melaney Imafedia Okhamafe Michel Dion Franck Dalmas Ludmila Molodkina Victor Gerald Rivas Rebecca M Painter Matti Itkonen Raymond J Wilson III Christopher S Schreiner Bruce Ross Bernadette Prochaska Tsung I Dow Jerre Collins Cezary Jozef Olbromski Victor Kocay Roberto Verolini

SHORT STORIES FOR STUDENTS CENGAGE LEARNING. GALE, 2016 日本現代文学の精華, 1995 *The Columbia Anthology of Modern Japanese Literature* J. Thomas Rimer, 2011-11-15 Featuring choice selections from the core anthologies *The Columbia Anthology of Modern Japanese Literature From Restoration to Occupation 1868 1945* and *The Columbia Anthology of Modern Japanese Literature From 1945 to the Present* this collection offers a concise yet remarkably rich introduction to the fiction poetry drama and essays of Japan's modern encounter with the West Spanning a period of exceptional invention and transition this volume is not only a critical companion to courses on Japanese literary and intellectual development but also an essential reference for scholarship on Japanese history culture and interactions with the East and West The first half covers the three major styles of literary expression that informed Japanese writing and performance in the late nineteenth and early twentieth centuries classical Japanese fiction and drama Chinese poetry and Western literary representation and cultural critique Their juxtaposition brilliantly captures the social intellectual and political challenges shaping Japan during this period particularly the rise of nationalism the complex interaction between traditional and modern forces and the encroachment of Western ideas and writing The second half conveys the changes that have transformed Japan since the end of the Pacific War such as the heady transition from poverty to prosperity the friction between conflicting ideologies and political beliefs and the growing influence of popular culture on the country's artistic and intellectual traditions Featuring sensitive translations of works by Nagai Kafu Natsume Soseki Oe Kenzaburo Kawabata

Yasunari Mishima Yukio and many others this anthology relates an essential portrait of Japan's dynamic modernization

Haruki Murakami and His Early Work Masaki Mori, 2021-02-11 Haruki Murakami and His Early Work first discusses Murakami Haruki's real life activities and interests such as his self identity as a Japanese novelist his position in the Japanese literary canon music translation and running In this context three short stories as pivotal to his early writing career are examined including The Second Bakery Attack The Elephant Vanishes and TV People Written in an easy style to read and with the content full of references to select contemporary popular culture and consumer products his fiction in general tends to invite criticism of irrelevance and frivolity Against their nonsensical even humorous appearance however the book's close analysis reveals his persistent concern with the plight of today's humanity in postindustrial reality Through the bewildering stories Murakami delivers a covert critique of aspects of the sociopolitical system including unbridled consumerism relentless pursuit of efficiency and electronic media saturation that brings people into total submission without their realization of the plight in which they are placed In this respect these short stories rival his acclaimed novels while showing his essential concerns and literary creativity more succinctly

Murakami Haruki and Our Years of Pilgrimage Gitte Marianne Hansen, Michael Tsang, 2021-08-19 This book is a timely and expansive volume on Murakami Haruki arguably Japan's most high profile contemporary writer With contributions from prominent Murakami scholars this book approaches the works of Murakami Haruki through interdisciplinary perspectives discussing their significance and value through the lenses of history geography politics gender and sexuality translation and literary influence and circulation Together the chapters provide a multifaceted assessment on Murakami's literary oeuvre in the last four decades vouching for its continuous importance in understanding the world and Japan in contemporary times The book also features exclusive material that includes the cultural critic Kat Norihiro's final work on Murakami his chapter here is one of the few works ever translated into English to interviews with Murakami and discussions from his translators and editors shedding light not only on Murakami's works as literature but as products of cross cultural exchanges Murakami Haruki and Our Years of Pilgrimage will prove a valuable resource for students and scholars of Japanese studies comparative and world literature cultural studies and beyond
