## **Un Dernier Verre Avant La Guerre Kenzie Gennaro 1 By Dennis Lehane:**

*A Drink Before The War* Dennis Lehane, 2011-06-30 Patrick Kenzie and Angela Gennaro are tough private investigators who know the blue collar neighbourhoods and ghettos of Boston's Dorchester section as only natives can. Working out of an old church belfry Kenzie and Gennaro take on a seemingly simple assignment for a prominent politician to uncover the whereabouts of Jenna Angeline a black cleaning woman who has allegedly stolen confidential Statehouse documents. But finding Jenna proves easy compared to staying alive. The investigation escalates uncovering a web of corruption extending from bombed out ghetto streets to the highest levels of state government. With slick hip dialogue and a lyrical narrative pocked by explosions of violence *A Drink Before the War* confronts a city in which institutionalized bigotry and corruption are often the norm and the true nature of racial incidents is rarely clear. Dennis Lehane's remarkable debut is at once a pulsating crime thriller and a mirror of our world one in which the worst human horrors are found closest to home and the most vicious obscenities are committed in the name of love.

*Enseigner la lecture littéraire dans une perspective d'éducation interculturelle* Jean-Louis Dumortier, Christine Bister, 2019-03-12 Notre société est pluriculturelle. Pas seulement en raison des mouvements migratoires. En raison également de la variété des identités culturelles des autochtones. L'école ne peut rester aveugle à cette diversité. Une éducation interculturelle est désormais indispensable. Une éducation qui rende capable de comprendre et d'appréhender autant que possible le heurt des cultures. Dans le respect de toutes celles-ci mais dans un respect qui a pour cran d'arrêter les lois et les principes de notre démocratie. La formation littéraire dispense dans le cadre du cours de français est particulièrement propice à intégrer des contenus concourant à l'éducation interculturelle. La condition de prendre une distance salubre envers les impératifs d'une évaluation radicalement objective la condition de privilégier la réflexion des élèves sur des situations conflictuelles dont l'issue n'est pas chercher du côté d'une dichotomie manichéenne la condition encore de ne pas instrumentaliser la littérature mais de la donner à penser comme une redescription artistique de vécus individuels. C'est ce que nous avons cherché à faire traverser l'étude d'une douzaine de romans contemporains qui thématisent le heurt des cultures crits ou traduits en français aujourd'hui tous disponibles en édition de poche. Ces romans font l'objet d'une présentation qui cerne la problématique en question. Nous proposons ensuite des questionnaires assortis de suggestions de réponses susceptibles d'aider celles et ceux qui comme nous voient l'urgence d'une formation littéraire dans une perspective d'éducation interculturelle. Jean-Louis Dumortier et Christine Bister
