THE IMMORTALS

**WILD
MAGIC**

Wild Magic Immortals 1 By Tamora Pierce

A Gutmann

Wild Magic Immortals 1 By Tamora Pierce:

Wild Magic Tamora Pierce, 2003
Hired by the Queen's Riders because of her knack with animals the orphaned Daine must learn to trust humans before she can protect the kingdom from immortal invasion Wild Magic Tamora Pierce, 2009-12-08
Discover a land of enchantment legend and adventure in this first book of the Immortals series featuring an updated cover for longtime fans and fresh converts alike and including an all new afterword from Tamora Pierce
Thirteen year old Daine has always had a special connection with animals but only when she's forced to leave home does she realize it's more than a knack it's magic
With this wild magic not only can Daine speak to animals but she can also make them obey her
Daine takes a job handling horses for the Queen's Riders where she meets the master mage Numair and becomes his student
Under Numair's guidance Daine explores the scope of her magic
But she encounters other beings too who are not so gentle
These terrifying creatures called Immortals have been imprisoned in the Divine Realms for the past four hundred years but now someone has broken the barrier
And it's up to Daine and her friends to defend their world from an Immortal attack

Reading Tamora Pierce: 'The Immortals' John Lennard, 2008-01-01
The four books making up The Immortals are the 5th-8th of 15 novels set in Tortall and introduce the Wildmage Veralidaine Sarra-sri who appears in most later novels in the Tortall series
The Notes in this book cover Tamora Pierce's life and work the world of Tortall including the geography cast and neighbouring cultures the strange menagerie of immortal creatures who may be friend or foe and the pantheon of interfering multicultural gods
The well illustrated Annotations pay special attention to the many animals who feature cultural and historical references and the major thematic issues that develop throughout the quartet
Wild Magic Wolf Speaker The Emperor Mage and The Realms of the Gods are all covered on a chapter by chapter basis and there is a link to the deleted chapter of The Emperor Mage in which Daine heals a poisoned camel
The Essay compares The Immortals with its successor quartet Protector of the Small for both the brave teenage heroines have a particular and very educational relationship with Pierce's greatest fantasy beasts the amazing and amazingly smelly Stormwings
The Bibliography has a section detailing works about Tamora Pierce and Children's Writing

Female Heroes in Young Adult Fantasy Fiction Leah Phillips, 2024-08-22
Hero stories are deeply rooted in Western Culture
From religion and myth to blockbuster films and YA literature the story is everywhere and it shapes how we the ones who hear and see it understand the world around us
For too long hero stories which could also be called dominant discourse have undertaken this social and cultural work through the archetypal hero a white often god touched young man who exists in opposition and superiority to that which he is not including adolescent girls
This paradigm works by imposing radical alterity on that which is not hero to ensure his heroicness
Crucially while this exclusion affects all girls it does not do so evenly
If the girl is also Black or Brown disabled or otherwise not performing expected and accepted versions of adolescent girlhood marginalisation increases
Female Heroes explores how the heroes in a subgenre of YA fantasy one it names mythopoeic YA intervene in this narrative of superiority by breaking

the boundaries and blurring the borders of what it means to be hero girl and even human These heroes such as Tamora Pierce's Alanna the Lioness Marissa Meyer's Cinder and the heterogeneous crew at the heart of Leigh Bardugo's Six of Crows duology disrupt heroic norms and standards by occupying the spaces between oppositions This occupation frustrates violent hierarchy radical alterity and erasure particularly of bodily difference while also disrupting isolating individuality In so doing female heroes offer an alternative and inclusive model of being hero one directly impacting adolescent girlhood and beyond

The Realms of the Gods Tamora Pierce, 2003-09 This conclusion to the three previous books about Daine and her wild magic solves many of her problems and hints at the love that lies in her future

Reading Tamora Pierce: 'The Protector of the Small' John Lennard, 2013-01-01 Tamora Pierce is a prolific and very unusual modern master of fantasy for young adults and the first such author to appear regularly on the New York Times bestseller lists The four books making up *The Protector of the Small* are the 9th to 12th of 15 novels set in Tortall and follow the progress of Keladry of Mindelan from the first openly female page in more than a century to her attainment of Knighthood and introduction to war The Notes cover Tamora Pierce's life and work the world of Tortall including the geography cast and neighbouring cultures the strange menagerie of immortal creatures who may be friend or foe the pantheon of interfering multicultural gods the knighthood and the school series format that Pierce adapts The well illustrated Annotations cover unusual words ideas and objects mentioned real world cultural historical and literary references and the major thematic issues that develop throughout the quartet First Test Page Squire and Lady Knight are all covered on a chapter by chapter basis The Essay considers *The Protector of the Small* as a revisioning of *Song of the Lioness* the structure of the quartet and the nature of Blayce and the killing devices A Note on Fanfiction surveys the enormous Tortall archive of fanfic as a resource for readers of the quartet and a Bibliography provides checklists both of Pierce's works and of writing about her Tamora Pierce read the book in manuscript and has generously allowed her comments to be published including new extracanonical facts about Jump women in combat the death magic that powers the killing devices and much more

For Younger Readers, 2000 [The Immortals Quartet #1: WILD MAGIC](#) Tamora Pierce, 1994-05-01 The mage Numair the knight Alanna and Queen Thayet enlist thirteen year old Daine's help to battle the dreadful immortal creatures that have recently begun to attack the kingdom of Tortall

For Younger Readers; Braille and Talking Books, 2000 [The Publishers Weekly](#), 2005 [Kliatt Young Adult Paperback Book Guide](#), 2005 [Of Modern Dragons; and other essays on Genre Fiction](#): John Lennard, 2016-10-09 A volume of essays exploring some of the best genre fiction of the last 40 years [Talking Book Topics](#), 2001-03 [Fantasy Literature for Children and Young Adults](#) Ruth Nadelman Lynn, 2005-03-30 Bibliographic information grade level and annotations for nearly 7 500 fantasy books for grades 3-12 are given The introduction discusses the history of fantasy and awards presented to fantasy titles are listed

Children's Book Review Index Gary C. Tarbert, 2006 *Departmental Reports* University of the West Indies, 2006 **School Library Journal**, 2010 [What Do Children Read Next?](#) Candy Colborn, 1994 Contains

entries for approximately 2000 books aimed at young readers About half the titles were published between 1989 and 1994 and the remaining half are older titles which have stood the test of time **The Horn Book Magazine** ,1993 **Bulletin of the Center for Children's Books** University of Chicago.
