

The Making of the English Working Class

E. P. Thompson

The Making Of The English Working Class By Ep Thompson

Antoinette M. Burton

The Making Of The English Working Class By Ep Thompson:

The Making of the English Working Class Edward Palmer Thompson,1964 This account of artisan and working class society in its formative years 1780 to 1832 adds an important dimension to our understanding of the nineteenth century E P Thompson shows how the working class took part in its own making and re creates the whole life experience of people who suffered loss of status and freedom who underwent degradation and who yet created a culture and political consciousness of great vitality

THE MAKING OF THE ENGLISH WORKING CLASS E. P. Thompson,1963 [The Making of the English Working Class](#) E. P. Thompson,2002-09-26 A book that revolutionised our understanding of English social history E P Thompson shows how the English working class emerged through the degradations of the industrial revolution to create a culture and political consciousness of enormous vitality

[The Making of the English Working Class](#) E. P. Thompson,1991 A book that revolutionised our understanding of English social history E P Thompson shows how the English working class emerged through the degradations of the industrial revolution to create a culture and political consciousness of enormous vitality

The Making of the English Working Class [By] E. P. Thompson Edward Palmer Thompson,1968 *E.P. Thompson* Bryan D. Palmer,1994-10-17 Edward Thompson perhaps the greatest post war historian in the English speaking world died in 1993 In this readable and unabashedly appreciative survey of Thompson s histories and politics Byran D Palmer reviews include a passionate biographical account of the late nineteenth century Romantic William Morris the hugely acclaimed *The Making of the English Working Class* and a series of eighteenth century studies that reach from customary culture to the antinomian poetics of William Blake In reviewing the politics which gave shape to his historical work Palmer assesses the role of Thompson s family background in India his youth in the Communist Party his decisive break with Stalinism in 1956 and his subsequent work campaigning for the causes of the left and nuclear disarmament Thompson was never comfortable in an academic milieu and eventually left formal teaching in the 1970s to devote his time to research and writing His pen was always ready to bend against the powers of the state and against a left he too often saw as abandoning the cause of social transformation For readers who know Thompson s work Palmer s discussion of hitherto unstudied aspects of his life will be novel and illuminating those less familiar with his prodigious achievement will find these pages a useful introduction

The Making of the English Working Class, by E.P. Thompson ... John Fletcher Clews Harrison,196? [Histories of a Radical Book](#) Antoinette Burton,Stephanie Fortado,2020-11-01 For better or worse E P Thompson s monumental book *The Making of the English Working Class* has played an essential role in shaping the intellectual lives of generations of readers since its original publication in 1963 This collected volume explores the complex impact of Thompson s book both as an intellectual project and material object relating it to the social and cultural history of the book form itself an enduring artifact of English history

[Radical Book History](#) Antoinette M. Burton,2015 **An Everyday Life of the English Working Class** Carolyn Steedman,2013-12-05 This book concerns two men a stockingmaker and a magistrate who

both lived in a small English village at the turn of the nineteenth century It focuses on Joseph Woolley the stockingmaker on his way of seeing and writing the world around him and on the activities of magistrate Sir Gervase Clifton administering justice from his country house Clifton Hall Using Woolley s voluminous diaries and Clifton s magistrate records Carolyn Steedman gives us a unique and fascinating account of working class living and loving and getting and spending Through Woolley and his thoughts on reading and drinking sex the law and social relations she challenges traditional accounts which she argues have overstated the importance of work to the working man s understanding of himself as a creature of time place and society She shows instead that for men like Woolley law and fiction were just as critical as work in framing everyday life

Against the Market David McNally,1993-12-17 In this innovative book David McNally develops a powerful critique of market socialism by tracing it back to its roots in early political economy He ranges from Adam Smith s attempt to reconcile moral philosophy with market economics to Malthus s reformulation of Smith s political economy which made it possible to justify poverty as a moral necessity Smith s economic theory was also the source of an attempt to construct a critique of capitalism derived from his conception of free and equal exchange governed by natural price This Smithian forerunner of today s market socialism sought to reform the market without abolishing the social relations on which it was based McNally explores this tradition sympathetically but exposes its fatal flaws The book concludes with an incisive consideration of efforts by writers such as Alec Nove to construct a feasible model of market socialism McNally shows these efforts are still plagued by the failure of early Smithian socialism to come to grips with the social foundations of the market the commodification of labor power which is the key to market regulation of the economy The results he argues are neither socialist nor workable

The Making of the English Working Class ,196? Many books used as sources for the English social history Making of the English working class by E P Thompson are listed for sale by Augustus M Kelley Publishers **Cultural Theory and Popular Culture** John Storey,2006 In this 4th edition of his successful Cultural Theory and Popular Culture An Introduction John Storey has extensively revised the text throughout As before the book presents a clear and critical survey of competing theories of and various approaches to popular culture Retaining the accessible approach of previous editions and using relevant and appropriate examples from the texts and practices of popular culture this new edition remains a key introduction to the area New to this edition bull bull Extensively revised rewritten and updated bull Improved and expanded content throughout including New chapter on psychoanalysis New section on post Marxism and the global postmodern bull Closer explicit links to the new edition companion reader Cultural Theory and Popular Culture a reader bull More illustrative diagrams and images bull Fully revised improved and updated companion website providing practice and extension promote further understanding of the study of cultural theory and popular culture The new edition remains essential reading for undergraduate and postgraduate students of cultural studies media studies communication studies the sociology of culture popular culture and other related subjects John Storey is Professor of Cultural Studies and Director of the Centre for

Research in media and Cultural Studies at the University of Sunderland He has published widely in cultural studies including six books The most recent book is called *Inventing Popular Culture* Blackwell 2003 His work has been translated into Chinese German Japanese Korean Polish Spanish Swedish and Ukrainian He is a Visiting Professor at the universities of Henan and Wuhan

The Making of the English Working Class Edward Palmer Thompson, 1968 *A Hundred English Working-Class Lives, 1900-1945* Rebecca Ball, 2024-07-11 Stanley Rice born in London in 1905 began his autobiography by stating that his life was an ordinary average life with all its ups and downs Stanley may have described his life as ordinary and yet he lived through a period of rapid social change including two world wars Despite this Stanley assumed that his life story would be of little interest to most readers as he had not achieved great fame or any notable accolades This book argues that this is exactly why historians should focus on such life stories as there is much to be gained by focusing on memories of ordinary average lives as they can expand our knowledge of the past often revealing firsthand experiences that have been excluded from the historical record This book does not intend to be a general social history of the working class Rather it is a work of memory drawing upon a microhistory methodology to examine how a sample of one hundred working class autobiographers remembered and wrote about living through years that were punctuated by two worldwide conflicts and a global economic depression

[The Intellectual Life of the British Working Classes](#) Jonathan Rose, 2021-07-20 This is a landmark intellectual history of Britain's working classes from the preindustrial era to the twentieth century Drawing on workers memoirs social surveys library registers and more Jonathan Rose uncovers which books people read how they educated themselves and what they knew A new preface addresses the continuing relevance of the book amidst the upheavals of the present day An astonishing book Ian Sansom *The Guardian* A passionate work of history Rose has written a work of staggering ambition Daniel Akst *Wall Street Journal* Winner of the SHARP Book History Prize the American Philosophical Society's Jacques Barzun Prize and the British Council Prize cowinner of the Longman History Today Book of the Year Prize for 2001 named one of the finest books of 2001 by *The Economist*

The Houses of History Anna Green, Kathleen Troup, 1999-03 Provides a comprehensive introduction to the twelve schools of thought which have had the greatest influence on the study of history in the twentieth century Ranging from Empiricism to Postcolonialism Marxism to the Ethnohistorians each chapter begins with an introduction to the particular school the main protagonists the critics and is followed by a useful section of further readings From the classic such as G R Elton's *England Under the Tudors* and E P Thompson's *The Making of the English Working Class* to the recent such as Henrietta Whiteman's *White Buffalo Woman* and Judith Walkowitz's *City of Dreadful Delight* the diverse selections collected here bring together the leading historians and theorists of the century

Culture and the State David Lloyd, Paul Thomas, 2014-02-04 From the end of the eighteenth century to the late nineteenth century a remarkable convergence takes place in Europe between theories of the modern state and theories of culture *Culture and the State* explores that theoretical convergence in relation to the social functions of state

and cultural institutions showing how cultural education comes to play the role of forming citizens for the modern state It critiques the way in which materialistic thinking has largely taken the concept of culture for granted and failed to grasp its relation to the idea of the state Storia della storiografia ,2005 **The Cultural Geography Reader** Timothy Oakes,Patricia L. Price,2008-03-03 The Cultural Geography Reader draws together fifty two classic and contemporary abridged readings that represent the scope of the discipline and its key concepts Readings have been selected based on their originality accessibility and empirical focus allowing students to grasp the conceptual and theoretical tools of cultural geography through the grounded research of leading scholars in the field Each of the eight sections begins with an introduction that discusses the key concepts its history and relation to cultural geography and connections to other disciplines and practices Six to seven abridged book chapters and journal articles each with their own focused introductions are also included in each section The readability broad scope and coverage of both classic and contemporary pieces from the US and UK makes The Cultural Geography Reader relevant and accessible for a broad audience of undergraduate students and graduate students alike It bridges the different national traditions in the US and UK as well as introducing the span of classic and contemporary cultural geography In doing so it provides the instructor and student with a versatile yet enduring benchmark text
