The Knight In The Panthers Skin By Shota Rustaveli:

The Knight in the Panther's Skin Шота Руставели, 1968 *The Knight in the Panther's Skin* David Shemoqmedeli, 2016-12 12th century Georgian poet and thinker Shota Rustaveli author of the Georgian national epic poem *The Knight in the Panthers Skin* is considered by different literary critics and scholars throughout the world as one of the most significant poets in the history of medieval literature Literary academia abides with various interpretations and readings of *The Knight in the Panthers Skin* revealing the complex and unorthodox nature of Rustavelis epic poem which often brings Greek thought to the readers mind for instance the works of Homer Plato and Aristotle Some scholars argue that to a certain extent Rustaveli anticipates European Renaissance Georgia the homeland of Rustaveli being located on the crossroads of Europe and Asia has historically been the melting pot of Eastern and Western cultures On one hand *The Knight in the Panthers Skin* is replete with Eastern ornaments while on the other hand the poem is famous for its Western thought This year Georgia will celebrate 850th birthday of Shota Rustaveli and in this respect UNESCO has announced 2016 as Shota Rustaveli year The publishing of this book is an important part of the celebrations The book will be designated for scientific academia and literary experts as well as the wider audience of readers The aim of this book is to study the history of Rustvelologian thought development in the context of world literature as the name of Rustaveli and the importance of his poem transcend the borders of the fields of Georgianology At the same time the study of Rustaveli and its impact on 19th and 20th Georgian literature the investigation of which had been fragmentary up to date is of no less importance The topicality of the book lies in the fact that the poem of Shota Rustaveli and his ideals are eternal Rustavelis poem is important not only for scholars but for everybody who shares Rustavelis humanistic ideas and tries to bring up the new generation according to these principles This is evidence that *The Knight in the Panthers Skin* will always be of contemporary relevance As for scholarly research Rustaveli has always attracted attention The novelty of this book is found in the designation of stages in Rustvelology and representation of Rustvelologian thought in synchronic and diachronic aspects according to methodological principles the purpose of which is to evaluate the preceding researches and setting perspectives for future studies concerning Rustaveli *The Knight in the Panther's Skin* Shota Rustaveli, 1979 *The Knight in the Panther Skin* Shota [trasnlated by Lyn Coffin] RUSTAVELLI, 2023-05 **New Approaches to Medieval Armenian Language and Literature** Joseph Johannes Sicco Weitenberg, 1995 This book offers a reevaluation of the character of medieval 12 17th century Armenian literature and language It contains a number of contributions by leading Armenologists Cowe Russell Thomson and Stone and of a younger generation of scholars who attempt to confront the traditional approach of this period with the new insights gained in modern occidental medieval studies One may call these papers New because they study the literary highlights not only of Cilician Armenia of the Crusader period but of all Armenia and put these in a wider cultural context the authors emphasize both inner Armenian continuity and contemporary external Persian Turkish literary and linguistic

influences The papers concern Armenian lyrical poetry models for the evaluation of the medieval Armenian literary production both traditional and new and the linguistic conditions which favoured such a production Particular attention has been given to the cultural background of Armenian grammatical studies and to the character of the first Armenian grammars printed in the Occident *The Knight in the Panther Skin* Shota Rustaveli, 2015-10-09 **A Man in a Panther Skin** Gael Elton Mayo, 1985 **Familiar Strangers** Erik R. Landscapes of Communism Owen Hatherley, 2015-06-04 In the craven world of architectural criticism Hatherley is that rarest of things a brave incisive elegant and erudite writer whose books dissect the contemporary built environment to reveal the political fantasies and social realities it embodies Will Self During the course of the twentieth century communism took power in Eastern Europe and remade the city in its own image Ransacking the urban planning of the grand imperial past it set out to transform everyday life its sweeping boulevards epic high rise and vast housing estates an emphatic declaration of a non capitalist idea Now the regimes that built them are dead and long gone but from Warsaw to Berlin Moscow to post Revolution Kiev the buildings their most obvious legacy remain populated by people whose lives were scattered and jeopardized by the collapse of communism and the introduction of capitalism Landscapes of Communism is an intimate history of twentieth century communist Europe told through its buildings it is too a book about power and what power does in cities In exploring what that power was Hatherley shows how much we can understand from surfaces especially states as obsessed with surface as the Soviets were Walking through these landscapes today Hatherley discovers how in contrast to the common dismissal of monolithic Soviet architecture these cities reflect with disconcerting transparency the development of an idea over the decades with its sharp sudden zigzags of official style from modernism to classicism and back to the superstitious despotic rococo of high Stalinism with its jingoistic memorials palaces and secret policemen s castles East Germany s obsession with prefabricated concrete panels and the metro systems of Moscow and Prague a spectacular vindication of public space that went further than any avant garde ever dared But most of all Landscapes of Communism is a revelatory journey of discovery plunging us into the maelstrom of socialist architecture As we submerge into the metros walk the massive multi lane magistrale and pause at milk bars in the microrayons who knows what we might find [The Knight in the Tiger Skin](#) Shot'ha Rust'hveli, 2001-08 The Knight in the Tiger Skin by the Georgian poet Shot ha Rust hveli is recognized as one of the greatest works to have been created by human genius Eight centuries separate us from the author of this immortal epic but even today its life affirming passion shining humanity and heroic spirit the ideas of patriotism and internationalism that it embodies and the elevated human feelings and moral ideals it expresses link this great literary monument of the distant past with the spiritual world of all freedom loving people Rust haveli s epic has become part of the heritage of all mankind No less than the people for whom it was written Europeans and Asians Americans and Africans can gain from this work something more than a romantic knightly tale brilliantly told in verse Irakly Abashidze Georgia was the land where the two cultural streams of East and West rushing towards each other met The focal point of this meeting a man endowed with a remarkable lyrical gift intelligence and passion was Rust hveli Nikolai Tikhonov This is the best poem about
