The Last Unicorn By Peter Gillis:

Peter S. Beagle's "The Last Unicorn" Timothy S. Miller,2024-04-09 This book assesses the work of one of the foundational figures of American fantasy Peter S Beagle Through its focused analysis of The Last Unicorn this study contextualises Beagle s work in relation to the popularity of the fantasy genre following its growing success in the aftermath of Tolkien s The Lord of the Rings In addition through reference to the film adaptation of The Last Unicorn and also Beagle s other works this study highlights the author s longevity and the influence that his metafictional and comedic work has had on contemporary fantasy

Beyond Horatio's Philosophy: The Fantasy of Peter S. Beagle David Stevens,2013-08-16 In Beyond Horatio s Philosophy The Fantasy of Peter S Beagle David Stevens examines the fantasy of American writer Peter S Beagle He finds a consistent view of the world and an almost overpowering sense of humor leading him to conclude that Beagle believes that love is the best thing we have and the only reason for living His work will be read and enjoyed for generations to come and Stevens tells you why Beagle indulges in what Stevens terms metaphysical speculations a working out of the possibilities of the world being different than it is He invites the reader to examine these speculations with him and when we do to come away from the experience as better men and women believing in the transforming power of love and laughing at ourselves in the process No writer could ask for more or succeed better Beagle would have us believe to paraphrase Shakespeare s Hamlet that there are more things in heaven and earth than are dreamt of in our philosophy Complete with bibliography and index
