K. Matthews,2024-08-20 A central question for Judeo Christian faithful is Are we living in the age of antichristism or kingdom influence Can we salt and light entire cities and civilizations as Martin Luther King Jr hoped or with D L Moody should we simply save as many as we can from our rapidly sinking planet Over the years Christians have wrestled with the question and reached different conclusions Augustine s and Oliver O Donovan s answer to the question birthed *The City of God* and *The Desire of Nations* Miguez Bonino s and Grace Ji Sun Kim s Marxist influenced liberationist answers produced *Toward a Christian Political Ethics* and the post truth Intersectional Theology Former socialist Michael Novak s plea was to revive *The True Spirit of Democratic Capitalism* Jonathan Cahn and Frank Peretti by contrast predicted that we have entered the age of This Present Darkness amidst *The Return of the Gods* Peretti s and Cahn s wildly popular future visions built upon Hal Lindsey s dated assurance and false prediction that true believers would be raptured in the last decade of *The Terminal Generation* 1980s Douglas Matthews offers a new route through the maze and discerningly answers this perennial question by boldly offering a Third City future vision option for effective kingdom influence amidst accelerating global antichristism **Violence, Utopia and the Kingdom of God** George Aichele,Tina

Stone, 2013-02-27 Can Christians be spiritual and religious Do they even know the difference between the two Through a guide for guardian angels entering into basic training for service to womankind Bound an Earth Walker's handbook overhauls Western Christianity with integrity and clarity Tackling subjects such as hypocrisy racial prejudice and misogyny Bound cuts traditional religion back to its healthy roots love rigorous honesty and fellowship It then draws from contemporary sources modern science and an intriguing third party perspective to graft openness inclusiveness and diversity yielding an authentic way to be Christian today Written for the layperson by a layperson readers will appreciate Charles S Stone's use of fantasy humor and novelty to capture insights that evoke that gratifying sense of aha about good and evil humanity and salvation ultimately seeking to answer life's most basic questions What is God Who are we How should we live **The Kingdom of God Has No Borders** Melani McAlister, 2018 In *The Kingdom of God Has No Borders* Melani McAlister offers a sweeping narrative of the last fifty years of evangelical history outside of the United States weaving a fascinating tale that upends much of what we know or think we know about American evangelicals **The Saturday Evening Post**, 1990 Monster Frank E. Peretti, 2006 This New York Times bestseller by the author of *This Present Darkness* follows a couple who while trekking through the beautiful Northwestern woods becomes the prey of something no human has ever seen **The Church Between Gospel and Culture** George R. Hunsberger, Craig Van Gelder, 1996 This excellent collection of essays written by a diverse group of Christian leaders working on the frontier of mission within the present North American context lays the groundwork for the

newly emerging missionary encounter of the gospel with North American culture Demonstrating that the missionary identity of the church is to be found at the intersection of culture gospel church these essays outline the missionary agenda now before the church as it confronts North American assumptions perspectives preferences and practices Perspectives on the New Age James R. Lewis, J. Gordon Melton, 1992-01-01 This book begins with a comprehensive historical section that places the New Age within the context of its predecessor movements It then focuses on specialized aspects of this subculture from essays on the convergence of New Age spirituality with women s spirituality to an essay on how Evangelical Christians have responded to the movement The book also examines the international impact of the New Age Dawn of the End-Time Remnant Riaan Engelbrecht, 2023-01-20 God is calling for a remnant that is completely and utterly set apart for His Kingdom This volume of work is a collection of prophetic understandings and insights as led by the Spirit of God It is designed to make us ponder consider and reflect on our walk with God For there is without a doubt an urgent cry from heaven for SEPARATION meaning we cannot continue looking behaving and acting like the world It says if something looks like a duck swims like a duck and quacks like a duck then it probably is a duck The test implies that a person can identify an unknown subject by observing that subject s habitual characteristics The problem these days is discerning whether someone is from the world or serving God On the one hand so many tend to behave like the world so based on their habitual characteristics you would say they are from the world But then something funny happens the duck is no longer quacking but making other strange noises known by some as praise worship and prayer So is this a duck a hybrid or something completely different In other words are we true followers of Christ or a hybrid product that serves God and the world No Ordinary Angel Susan R. Garrett, 2008-01-01 In this provocative intelligent and highly original addition to the Anchor Yale Bible Reference Library Susan R Garrett argues that angel talk has never been merely about angels Rather from ancient times until the present talk about angels has served as a vehicle for reflection on other fundamental life questions including the nature of God s presence and intervention in the world the existence and meaning of evil and the fate of humans after death In No Ordinary Angel Garrett examines how biblical and other ancient authors addressed such questions through their portrayals of angels She compares the ancient angel talk to popular depictions of angels today and considers how the ancient and modern portraits of angels relate to Christian claims about Jesus No Ordinary Angel offers important insights into the development of angelology the origins of Christology and popular Western spirituality ranging from fundamentalist to New Age In doing so it provokes stimulating theological reflection on key existential questions The Goddess Revival Aída Besançon Spencer, Donna F.G. Hailson, Catherine Clark Kroeger, William David Spencer, 2010-09-01 The Goddess Revival is a Christianity Today Book Award Winner 1996 All of the authors are clearly sympathetic to the problems women have faced in the church throughout its history They empathize with women who shun the patriarchal oppression of their churches to turn to goddess spirituality They are also solidly grounded in the Scriptures Christian theology and church history They recognize the bondage imposed

by goddess worship This book presents a scholarly and clear consideration of the issues involved and builds a strong case for Christianity as the most woman friendly alternative While providing a comprehensive study of goddess spirituality and examining the roots of the movement the authors focus primarily on God and the way people have understood God through the centuries in both paganism and the Judeo Christian tradition as both male and female They demonstrate how the uniqueness of God contrasts with the multiplicity of gods and goddesses in pagan spiritualities while comparing the values in both traditions that are similar that is a search for what is good inner empowerment unity positive social change In the process of building a clear Christian theology they gently counter the arguments of their pagan opponents In the end the reader is left with a glorious picture of the one true God and a clear apologetic for those in nursing who insist that the Christian God is too oppressive and patriarchal to merit our allegiance The appendixes provide a powerful case study of a young woman drawn into witchcraft She explains why it appealed to her then how it enslaved her and destroyed her marriage and other relationships The two final appendixes offer some excellent biblical studies on the issues raised in the book The total package provides an outstanding resource

Wright,2016-08-31 The gospel we profess is the most radical power on earth reaching to the depths of our personal social and political existence It needs a radical people to embody and proclaim it This book examines the nature of evangelical theology dealing with areas of persistent disagreement and controversy such as the status of the Bible the nature of Christ s achievement on the cross and the meaning of hell It offers a new way forward that remains committed to the fundamentals of faith while retaining a flexible response to the challenges of the future
