Helming, 2015-02-08 You Again Debra Jo Immergut, 2020-08-04 From Edgar Award nominee Debra Jo Immergut a taut twisting work of suspense about a woman haunted by her younger self Abigail Willard first spots her from the back of a New York cab the spitting image of Abby herself at age 22 right down to the silver platforms and raspberry coat she wore as a young artist with a taste for wildness But the real Abby is now 46 married with a corporate job and two kids As the girl vanishes into a rainy night Abby is left shaken Was this merely a hallucinatory side effect of working mom stress A message of sorts sent to remind her of passions and dreams tossed aside Or something more dangerous As weeks go by Abby continues to spot her double around her old New York haunts and soon despite her better instincts Abby finds herself tailing her lookalike She is dogged by a nagging suspicion that there is a deeper mystery to figure out one rooted far in her past All the while Abby s life starts to slip from her control her marriage hits major turbulence her teenage son drifts into a radical movement that portends a dark coming era When her elusive double presents her with a dangerous proposition Abby must decide how much she values the life she s built and how deeply she knows herself You Again is an audaciously constructed novel an unboxing of memory desire and regret and an electrifying portrait of a woman hurtling toward the key crossroads of her life where a secret lies buried like an undetonated bomb Alter Ego Iyanna, 2015-03-27 There are always two sides to every person the reserve and the hidden wild child that is waiting to be unleashed Who is your Alter Ego If you are wondering why your relationship has run dry well inside this book you will find some real life situations that you can relate to
