2015 Passenger Car and 2014 Concept Car Yearbook Automotive Engineering International, 2014-11-21 Every year global automakers introduce new or significantly re engineered passenger vehicles with increasingly advanced technology intended to exceed consumer expectations and satisfy increasingly stringent government regulations Some of these technologies are firsts of their kind and start trends that other automakers soon follow with the innovations becoming adopted across the board The supply community is also increasingly playing a more significant role in helping the original equipment manufacturers research develop and introduce the latest engineering innovations that help bring competitive advantage for their automaker partners Each year the editors of SAE's Automotive Engineering magazine publish many articles focused on the technology and engineering innovations of new passenger and concept vehicles and these articles have been collected into this volume This 2015 Passenger Car and 2014 Concept Car Yearbook is the fourth in an ongoing series of books that provide yearly snapshots of the latest and greatest technologies introduced by the automotive industry In this book we explore from an OEM and supplier perspective the newest and most technically interesting production vehicles released for the 2015 model year In addition we also have included a technology focused recap of the concept cars revealed during 2014 Readers will have in one publication a complete overview of the key advances that took place over the course of the year from around the world Each new model is profiled in its own chapter with one or more articles by the award winning editors and contributors of Automotive Engineering in this exclusive compilation of print and online content The novel engineering aspects of each new vehicle are explored with exclusive interviews of key engineers and product developers providing insights you can only get from you can only get from Automotive Engineering This book is published for the most technically minded enthusiasts who are interested in new car technologies as well as practicing automotive engineers who are interested in new engineering trends Engineering trends explored focus on what engineers are doing to meet the sometimes conflicting consumer and governmental demands for improved vehicle fuel efficiency performance safety and comfort In short this book Provides a single source for information on the key engineering trends of the year from both automaker and supplier perspectives Allows the reader to skip to chapters that cover specific car models that interest them or read about all models from beginning to end Makes for dynamic book reading with its large number of big full color images and easy reading magazine format

Advanced Transmission Systems: Dual-Clutch, Automated Manual & Hybrid Gearboxes Mohammed Hamed Ahmed Soliman, 2025-09-27 Advanced automotive transmissions are no longer a niche topic they are at the heart of modern vehicle design performance and efficiency While many resources focus on traditional gearboxes or CVTs very few provide a comprehensive hands on guide covering the full spectrum of transmission technologies beyond CVT wet and dry dual clutch transmissions DCTs automated manual transmissions AMTs traditional automatics Tiptronic manual shift systems and hybrid electric drivetrains This book builds on the foundation laid in my previous work Mastering CVT Transmissions

which focused exclusively on continuously variable transmissions their maintenance troubleshooting and optimization While the CVT book provided in depth guidance for one critical technology this new volume expands the coverage to all other advanced transmissions offering readers a truly comprehensive understanding of modern vehicle drivetrains By combining theoretical knowledge with practical real world experience this book offers Clear explanations of how each transmission type works and why it behaves the way it does Maintenance and troubleshooting guidance for longevity and reliability Performance optimization strategies including shift mapping torque management and hybrid electric considerations Case studies and practical examples drawn from racing tuning and professional workshops Whether you are a professional mechanic automotive engineer tuning enthusiast or student this book equips you with the knowledge to understand diagnose maintain and optimize every major advanced transmission system By bridging the gap between theory and hands on practice it prepares you for the demands of modern vehicles and the rapidly evolving automotive landscape Simply put this book is designed to make complex transmission systems accessible understandable and usable helping you confidently tackle challenges that most resources leave unaddressed and serving as the perfect complement to the insights shared in Mastering CVT Transmissions Author Note My own experiences shaped the series tuning my personal vehicles since 1998 competing in formal Egyptian autocross races from 2001 to 2003 and running my YouTube channel CarTuningLovers where I share practical tips and tutorials with a global community of car enthusiasts These experiences combined with my academic background in mechanical and industrial engineering gave me both the hands on insight and technical expertise to craft guides that are practical accurate and actionable Lemon-Aid New and Used Cars and Trucks 1990-2015 Phil Edmonston,2013-11-18 Lemon Aid New and Used Cars and Trucks 1990 2015 steers the confused and anxious buyer through the purchase of new and used vehicles unlike any other car and truck book on the market Dr Phil Canada s best known automotive expert for more than 42 years pulls no punches *Answers For Julie* Cate Beauman,2015-07-17 READERS FAVORITE INTERNATIONAL BOOK AWARD GOLD MEDALIST Aspen Gold Finalist The secrets of the past are always closer than we think Julie Keller relishes the simple things hot chocolate on winter nights good friends she calls her family and her laid back career as a massage therapist and yoga instructor Julie is content with her life until Chase Rider returns to Bakersfield Bodyguard Chase Rider isn t thrilled to be back in the town where he spent his childhood summers His beloved grandmother passed away leaving him a house in need of major repairs With a three week timetable and a lot to do he doesn t have time for distractions Then he bumps into Julie the one woman he hoped never to see again Chase tries to pretend Julie doesn t exist but ten years hasn t diminished his attraction to the hazel eyed stunner When a stranger grabs Julie s arm at the grocery store a woman who insists Julie s life isn t what it seems Chase can t help but get involved Julie and Chase dig into a twenty five year old mystery unearthing more questions than answers But the past is closer than they realize and the consequences of the truth have the potential to be deadly The Defenceless Kati Hiekkapelto,David Hackston,2015-09-01

DIV When an old man is run over and killed by a Hungarian au pair Finnish police investigator Anna Fekete soon realizes that there is more than meets the eye and a lot more at stake The international bestselling Anna Fekete series continues Shortlisted for the Petrona Award for Best Scandinavian Crime Novel of the Year Shortlisted for the Glass Key Award for Best Nordic Crime Novel Winner of the Best Finnish Crime Novel of the Year Tough and powerful crime fiction Publishers Weekly Dark souled but clear eyed Kati Hiekkapelto s edgy powerful novels grip your throat and squeeze your heart Addictive A J Finn author of The Woman in the Window A gut punch of a book Metro When an old man is found dead on the road seemingly run over by a Hungarian au pair police investigator Anna Fekete is certain that there is more to the incident than meets the eye As she begins to unravel an increasingly complex case she s led on a deadly trail where illegal immigration drugs and ultimately murder threaten not only her beliefs but her life Anna s partner Esko is entrenched in a separate but equally dangerous investigation into the activities of an immigrant gang where deportation orders and raids cause increasing tension and result in desperate measures by gang members and the police themselves Then a bloody knife is found in the snow and the two cases come together in ways that no one could have predicted As pressure mounts it becomes clear that having the law on their side may not be enough for Anna and Esko Chilling disturbing and terrifyingly believable The Defenceless is an extraordinary vivid and gripping thriller by one of the most exciting new voices in crime fiction Finnish Kati Hiekkapelto deserves her growing reputation as her individual writing identity is subtly unlike that of her colleagues Barry Forshaw Financial Times There is something fresh and slightly subversive about Hiekkapelto s writing in The Defenceless there is something of that restless energy here a nod to anti authoritarian and countercultural ideas that makes the novel stand out from the pack Doug Johnstone The Big Issue A taut and provocative thriller with a raging social conscience cements Kati Hiekkapelto s position as one of Scandi noir s most exciting and important new voices Eva Dolan Compelling assured and gutsy a gripping and stimulating read LoveReading An edgy and insightful chiller with a raw and brooding narrative Skilfully plotted and beautifully written Hiekkapelto has given us an excellent and suspenseful crime novel Craig Robertson A beautifully written and many layered mystery novel that illuminates the dangers of prejudice while still providing a major thrill ride Mystery Scene Magazine A writer willing to take risks with her work Sarah Ward Seriously good The taut elegance of the writing brilliantly contrasts the grit of the subject matter Kati Hiekkapelto is the real deal Anya Lipska div **The Last Stonecaster** Howard J.
