- (5) David has appointed a manager to control each department as shown in Appendix 1. Identify and explain three management functions of the Operations manager. Which do you think is the most important management function? Justify your answer. [12]

Relevant points might include:

- Planning – sets aims/targets; plan for necessary resources
- Organising – delegate tasks; people and resources; ensure everyone working effectively/no duplicated tasks
- Coordinating – ensure departments working together; aims/tasks linked together; chair regular meeting between departments
- Commanding – guiding employees; leading/supervising employees; ensure employees keep to targets/tasks
- Controlling – measure/evaluate work of employees; identify poor performance/identify problems

Knowledge/Analysis/Evaluation – award up to 10 marks using the levels-based mark scheme below.

|         | Knowledge/Analysis/ Evaluation                                                                                                                                                                                                                                                                                            |

Level 1

1 mark for each L1 statement (max of 3 marks), e.g. the Operations Manager needs to control the department.

Level 2:

One L2 explanation can gain 4 marks and a further mark can be awarded for each additional L2 explanation (max 6 marks), e.g. the Operations Manager needs to control the department. This will involve ordering the ingredients to ensure that the planned production of cakes can be made otherwise bakers may not be able to bake the batches of cakes ordered. (4 marks for L2 answer + 1 application mark for mentioning bakers and making cakes.)
