Menstruation Matters Bridget J. Crawford, Emily Gold Waldman, 2024-10 Explores the burgeoning menstrual advocacy movement and analyzes how law should evolve to take menstruation into account Approximately half the population menstruates for a large portion of their lives but the law is mostly silent about the topic Until recently most people would have said that periods are private matters

not to be discussed in public But the last few years have seen a new willingness among advocates and allies of all ages to speak openly about periods Slowly around the globe people are recognizing the basic fundamental human right to address menstruation in a safe and affordable way free of stigma shame or barriers to access Menstruation Matters explores the role of law in this movement It asks what the law currently says about menstruation spoiler alert not much and provides a roadmap for legal reform that can move society closer to a world where no one is held back or disadvantaged by menstruation Bridget J Crawford and Emily Gold Waldman examine these issues in a wide range of contexts from schools to workplaces to prisons to tax policies and more Ultimately they seek to transform both law and society so that menstruation is no longer an obstacle to full participation in all aspects of public and private life Report on Post-arrest Drug Trafficking. II, 1974 Desktop Guide to Good Juvenile Detention Practice David Walter Roush, 1996 **West's federal reporter : cases argued and determined in the United States courts of appeals and Temporary Emergency Court of Appeals**, 1991 The Federal Reporter, 1992 **Under a Watchful Eye** William P. Bloss, 2009-06-08 Throwing light on a timely and controversial subject this volume considers the privacy rights of alleged criminals convicted criminals crime victims and justice personnel and the violation of those rights in light of post 9 11 privacy policy changes This revealing book answers many crucial questions What legal surveillance search and seizure authority do criminal justice officials have when investigating crimes monitoring criminals or regulating justice personnel What factors have contributed to changing guidelines and practices What protections do persons have when they interact with the criminal justice system What are the privacy implications of surveillance and search practices in public places such as schools workplaces or public areas What methods and technologies are used in surveillance search or seizure How do we balance individual privacy rights against public safety Using real life stories Under a Watchful Eye Privacy Rights and Criminal Justice reveals the threats to personal privacy when individuals come under investigation whether warranted or not Covering privacy of the home workplace computer personal records and communications and other areas of personal concern this book is an important reminder that when it comes to invasion of privacy we are all vulnerable Police Tyler Wall, David Correia, 2018-03-13 This book armed activists on the streets as well as the many who have become concerned about police abuse with a critical analysis and ultimately a redefinition of the very idea of policing The book contends that when we talk about police and police reform we speak the language of police legitimation through the art of euphemism So state sexual assault become body cavity search and ruthless beatings become non compliance deterrence A Field Guide to the Police is a study of the indirect and taken for granted language of policing a language we re all forced to speak when we talk about law enforcement In entries like Police dog Stop and frisk and Rough ride the authors expose the way copspeak suppresses the true meaning and history of policing Like any other field guide it reveals a world that is hidden in plain view The book argues that a redefined language of policing might help chart a future free society Now in an expanded and updated edition including explanations of newsmaking new

terms like dead names kettling and qualified immunity as well as a new foreword by leading criminal justice advocate Craig Gilmore **Search and Seizure** Wayne R. LaFave, 2004 Professor LaFave interprets and applies the Fourth Amendment in diverse factual situations for developing more effective arguments of search and seizure issues in plea bargaining trial and appeal phases of a criminal case Expert discussion covers the exclusionary rule and other remedies protected areas and interests probable cause and search warrants This work also addresses search and seizure of persons and personal effects entry and search of premises search and seizure of vehicles and consent searches Explores stop and frisk and similar lesser intrusions along with inspections and regulatory searches Also examines the administration of the exclusionary rule
