Discourse on Applied Sociology: Theoretical perspectives Samir Dasgupta,Robyn Bateman Driskell,2007 This engaging two volume study pursues a balance between theoretical and practical sociology Volume I subtitled Theoretical Perspectives focuses on the problems and prospects of applied sociology in an era of globalization The essays emphasize the close association of applied sociology with altruism identity formation race and ethnicity They evaluate the empirical truths of sociological theories and examine their relevance for contemporary research poverty demographic issues and social

policies The authors agree that the ultimate test of theory is the extent to which it can produce knowledge that works

Sociological Foundations of Computational Social Science Yoshimichi Sato,Hiroki Takikawa,2024-03-23 This book provides solid sociological foundations to computational social science CSS CSS is an emerging research field and many books with those words in the title are on the market However CSS has not become mainstream in sociology for which there are two reasons First CSS does not necessarily solve major research questions in sociology Second its sociological foundations are weak These two reasons are interrelated that is CSS cannot solve major research questions because its sociological foundations are weak Thus even if it tries to solve those questions its approaches seem to mainstream sociologists to miss the point To resolve that shortcoming this book fills the gap between CSS and sociology shows that CSS can solve major research questions in sociology and advances sociology by introducing to it theories and methodologies of CSS

Portuguese Sociology Filipe Carreira da Silva,2016-02-17 Sociology in Portugal provides the first English language account of the history of sociology in Portugal from 1945 to the present day Banned by the fascist regime until 1974 the institutionalization of sociology as an academic discipline came relatively late Understanding academic disciplines as institutionalized struggles over meaning Filipe Carreira da Silva gives a genealogy of sociology in Portugal from its origins in the political administrative interstices of a dictatorship through the cyclopean moment of the political revolution of April 1974 which brought about its swift institutionalization and subsequent consolidation in the new democratic regime to the challenges posed by internationalization since the 1990s Attempts to define Portugal itself he demonstrates have been at the heart of these struggles Analyzing agents institutions contexts instruments and ideas Carreira da Silva shows in fascinating detail how the sociological understanding of Portugal evolved from that of a developing society in the 1960s to that of a modernizing European social formation in the 1980s to the post colonial or post imperial Portugal of today

Sociology in Government Olaf F. Larson,Julie N. Zimmerman,Edward O. Moe,2003 From 1919 through 1953 the U S Department of Agriculture housed the Division of Farm Population and Rural Life the first unit within the federal government established specifically for sociological research It reached the height of its influence during the New Deal and World War II as it helped implement modern liberal policies in America s farming sector attempting to counteract the harsh effects of modern industrialism on the rural economy In addition the Division devoted resources to studying both the history and the contemporary state of rural social life Sociology in Government offers the first detailed historical account and systematic documentation of this remarkable federal office

Epistemological and Ethical Aspects of Research in the Social Sciences Ulrich Dettweiler,Barbara Hanfstingl,Hannes Schröter,2020-06-08

Understanding Research for Social Policy and Social Work (Second Edition) Saul Becker,Alan Bryman,Harry Ferguson,2012-03-14 0

Sexual Identities and Sexuality in Social Work Priscilla Dunk-West,2016-04-01 Sexuality and sexual identity have been relatively marginalized areas in both social work education and practice However changes in policy and legislation in the UK and other countries

over the past decade have brought discussions of sexuality into the mainstream public service agenda In social work and social care gay and lesbian citizenship rights have been explicitly recognised In the fields of adoption and fostering new regulations and guidance have helped improve and develop practice around assessment and intervention It remains the case however that sex is often perceived as a problem area within social work and social care discussed only in relation to sexually diverse communities or in the realm of dysfunction or pathology This collection aims to generate a more proactive and challenging discussion of sexuality and sexual identity in social work Its starting point is that sexuality is an essential aspect of individual identity that users must be able to express their sexuality and that it is essential for social workers to be able to respond and discuss sexual issues appropriately The contributions are informed by feminist research considering in particular the experiences of women working in and using social care services since the 1990s In addition to a consideration of the wider policy legislative and service providers perspectives the book includes reflective accounts as well as research led contributions offering a comprehensive and balanced account of this important field which aims to inform both theory and practice

Mapping the Sociology of Health and Medicine F. Collyer, 2012-05-15 This book studies the sociology of health and medicine across three different countries the USA UK and Australia examining the nature of disciplines and their specialties and posing sociological questions about the formation of intellectual fields and their social relations
