Turner,2017-01-31 Just like any dysfunctional family reunion loyalty love and good times soon turn to bitterness regret and promises to never see one another again At the end of the day the Banks sisters are no different than any other family in the city of Richmond other than the fact that they are rotten to the core Sure the girls are bonded by D N A but they re also tied together because of their past of robbing banks extortion drug dealing and even cold blooded murder However that bond means absolutely nothing to them When it comes down to it it is every sister for herself even if it means throwing her siblings underneath the bus to avoid the consequences of their many crimes Sisterly love be damned this is survival      **Leaves from**
