Motoring World Delhi Press, 2017-09-11 This magazine is a specialist motoring magazine we have always catered to the enthusiast in you and brought an unadulterated view of the world of motoring Sharp sassy clean wittier and edgier than ever before Drive it home today , *Autocar* , 2005 **V10 vixen's Practical Car's** Joanna Barker, Bizarre Laws & Curious Customs of the UK Monty Lord, 2023-05-10 A curious comical and highly entertaining read full of eccentric laws and customs that have led to our rich legal heritage Lubna Shuja President of The Law Society of England and Wales In the UK we have some bizarre laws that have littered the statute books of our sceptred isle throughout history Not all of them have been repealed over the centuries Some of them made perfect sense at the time they were introduced but seen through modern eyes now appear archaic and draconian Despite the great efforts of the Law Commission in England and Wales to review and recommend reforms for many of these outdated laws there are centuries of law that must be painstakingly gone through As well as some bizarre laws the UK also has its fair share of curious customs and time honoured traditions that have been observed for centuries On the surface many appear to be nothing more than theatrical pomp and pageantry However they are all born from strong rationale The UK parliament seems to have had a particular penchant for passing laws related to fish and animals indecency and passing sentences with some humiliating public punishments This book is a highly entertaining read for anyone who enjoys learning about the more bizarre applications of UK law throughout the centuries along with some rather macabre consequences along the way Have you ever heard a bizarre law and thought that can't possibly be true Is it genuine Was it ever in existence or just an urban myth that became so embellished over time There are surprisingly a great many laws still in existence on the statute books today that would make your jaw drop Whilst bizarre as these laws may now seem to us it begs the question are we in fact unknowingly breaking these laws on a regular basis For example Is it illegal to own a pet whale but not a tiger Was it illegal for women to argue quarrel Is it legal to carry a ladder along a street Were mince pies once illegal Who owns your passport all these questions and more will be answered in this Volume 2 of a 3 volume series by Monty Lord Reading this book you may be inclined to laugh heartily let out a sorrowful cry or recoil in abject horror at some of the more gruesome sentences passed for breaking these weird laws With over 160 bizarre but nevertheless true laws and customs you can use this book to satisfy your curiosity about what our ancestors had to contend with over the years or perhaps as a reference guide for trivia quizzes **The Economical Environmentalist** Prashant Vaze, 2009-12 Reducing your carbon emissions in an economic down turn can be challenging but saving the planet doesn't have to cost you more Tough economic times need not relegate concerns for the planet to the back burner The author is an environmental economist trying to live a low carbon life in London He worked for 15 years in the UK's Office of Climate Change the Prime Minister's Strategy Unit and the Department of the Environment So far so good But he has kids A family to visit in India A hectic job In distilling and building on his own experience of trying to live a low carbon life he helps us

navigate the choices that confront us all families singletons pensioners when making decisions about what to eat what to buy how to travel and how to keep warm in the era of climate change and economic turmoil He works out the sums and lets us know which choices will make the biggest difference and which are false savings His book is an irreverent but seriously rigorous reference guide to low cost low carbon living for everyone in any location in tough times It s brimming with up to date information on current and future technologies tips and ideas for every budget on how to spend the least for the biggest carbon reduction gain and insight from the experiences of people trying to live low carbon lives **Motoring World 2018**
