East Suzi Mirgani, 2021-09-30 The culture of politics within any system of governance is influenced by how state and society interact and how these relationships are mediated by existing political institutions whether formal or informal The chapters in this volume highlight two broad types of informal political engagement in the Middle East civil action that works in tandem with the state apparatus and civil action that poses a challenge to the state In both cases these activities can and do achieve tangible results for particular groups of people as well as for the state For many informal politics and civil mobilisation are not a choice but a necessity to secure collectively some kind of social security through communal reciprocity and everyday activism Ironically Middle Eastern authorities often turn a blind eye to informal organising because self-help schemes allow certain social groups to survive reducing their instinct to make demands of or seek support from the state People are discouraged from political action and dissent yet they are simultaneously encouraged to seek their own betterment often leading to politicised groups and associations By analysing these formations the contributors shed light on informal politics in the region [Chase's Calendar of Events 2016](#) Editors of Chase's, 2015-09-11 Chase's Calendar of Events is the most comprehensive and authoritative reference available on special events holidays federal and state observances historic

Baseball Meets the Law Ed Edmonds, Frank G. Houdek, 2017-03-04 Baseball and law have intersected since the primordial days In 1791 a Pittsfield Massachusetts ordinance prohibited ball playing near the town s meeting house Ball games on Sundays were barred by a Pennsylvania statute in 1794 In 2015 a federal court held that baseball s exemption from antitrust laws applied to franchise relocations Another court overturned the conviction of Barry Bonds for obstruction of justice A third denied a request by rooftop entrepreneurs to enjoin the construction of a massive video screen at Wrigley Field This exhaustive chronology traces the effects the law has had on the national pastime both pro and con on and off the field from the use of copyright to protect not only equipment but also Take Me Out to the Ball Game to frequent litigation between players and owners over contracts and the reserve clause The stories of lawyers like Kenesaw Mountain Landis and Branch Rickey are entertainingly instructive

Congressional Record United States. Congress, 2012

The Epidemiology of Missed and Delayed Medical Diagnosis: Implications for Health Equity and Public Health Kenneth A. Mundt, Doug Salvador, Ronald Wyatt, 2025-06-12 Preventing diagnostic errors including missed and delayed diagnosis improves patient safety and saves lives While epidemiological research on patient safety has increased since the US National Academies Institute of Medicine now NASEM published 2000 To Err Is Human Building a Safer Health System progress toward understanding the nexus of conditions and factors that cause or contribute to diagnostic error has been measured Impeding progress are perceptions that diagnostic errors primarily arise from inadequate medical training overworked and stressed providers and innocent mistakes and subsequently that interventions should focus on training and clinical management However additional aspects that potentially affect diagnostic accuracy have been identified effective communication and patient engagement especially in multilingual and multicultural groups where perceptions and beliefs may not be shared or understood medical conditions with ambiguous signs and or vague symptoms settings with limited access to advanced technologies social cultural and economic structures and organization and management of care delivery Recent epidemiological studies indicate that diagnostic errors vary considerably across sociodemographic cultural and socioeconomic groups suggesting that underlying determinants range well beyond the clinical encounters and settings

Tough Little Patch of History Jennifer W. Dickey, 2014-04-01 Div Jennifer W Dickey is assistant professor and coordinator public history program Kennesaw State University She is the author of *A History of the Berry Schools on the Mountain Campus* and co editor of *Museums in a Global Context National Identity International Understanding* div **Religion, Food, and Eating in North America** Benjamin E. Zeller, Marie W. Dallam, Reid L. Neilson, Nora L Rubel, 2014-03-11 The way in which religious people eat reflects not only their understanding of food and religious practice but also their conception of society and their place within it This anthology considers theological foodways identity foodways negotiated foodways and activist foodways in the United States Canada and the Caribbean Original essays explore the role of food and eating in defining theologies and belief structures creating personal and collective identities establishing and challenging boundaries and borders and helping to negotiate issues of community religion race and nationality Contributors consider food practices and beliefs among Christians Jews Muslims and Buddhists as well as members of new religious movements Afro Caribbean religions interfaith families and individuals who consider food itself a religion They traverse a range of geographic regions from the Southern Appalachian Mountains to North America s urban centers and span historical periods from the colonial era to the present These essays contain a variety of methodological and theoretical perspectives emphasizing the embeddedness of food and eating practices within specific religions and the embeddedness of religion within society and culture The volume makes an excellent resource for scholars hoping to add greater depth to their research and for instructors seeking a thematically rich vivid and relevant tool for the classroom **Handbook of Middle American Indians, Volumes 2 and 3** Robert Wauchope, 2014-01-07 Archaeology of Southern Mesoamerica comprises the second and third volumes in the *Handbook of Middle American Indians* published in cooperation with the Middle American Research Institute of Tulane University under the general editorship of Robert Wauchope 1909 1979 The volume editor is Gordon R Willey 1913 2002 Bowditch Professor of Mexican and Central American Archaeology and Ethnology at Harvard University Volumes Two and Three with more than 700 illustrations contain archaeological syntheses followed by special articles on settlement patterns architecture funerary practices ceramics artifacts sculpture painting figurines jades textiles minor arts calendars hieroglyphic writing and native societies at the time of the Spanish conquest of the Guatemala highlands the southern Maya lowlands the Pacific coast of Guatemala Chiapas the upper Grijalva basin southern Veracruz Tabasco and Oaxaca The *Handbook of Middle American Indians* was assembled and edited at the Middle American Research Institute of Tulane University with the assistance of grants from the National Science Foundation and under the sponsorship of the National Research Council Committee on Latin American Anthropology **Commonwealth Yearbook** Nexus Strategic Publishers, 2014-07-28 The *Commonwealth Yearbook* is the flagship annual publication of the Commonwealth Secretariat It is the essential reference guide to the countries organizations activities and values of the modern Commonwealth The 2014 edition has been fully updated and includes reports from the 2013 Commonwealth Heads of Government Meeting a directory

of Commonwealth organizations and extensive reference sections and in depth profiles on each of the 53 member countries
Hispanic Link Weekly Report ,1993 **Farmers and Consumers Market Bulletin** ,1999 You Bet Your Life Neil
D. Isaacs,2014-10-17 We are a nation of gamblers pari mutuel wagering at horse tracks blackjack in Las Vegas the NCAA
basketball office pool even day trading on the internet Gambling is both our national pastime and our predominant cultural
metaphor play the field beat the odds take a chance on love Yet gambling poses serious risks to individuals and to society as
a whole Neil Isaacs sports historian licensed clinical social worker English professor and a gambler himself for more than
fifty years seeks to shatter the myths interfering with our understanding of gambling addiction its causes and its treatment
He begins by systematically debunking several commonly held beliefs demonstrating that there is no such thing as the law of
averages that gambling is not inherently sinful immoral or criminal and that money is not always the prime motivator for
gamblers Isaacs shows how habitual gambling can lead to compulsive gambling but avoids oversimplifying this condition
Arguing against a undifferentiated interpretation of pathological gambling as a simple impulse control disorder he draws
examples from fiction film and his own practice to demonstrate additional ways gambling can be abused A radical departure
from established views You Bet Your Life identifies the costs in dollars people families and credit ratings of society s failure
to address adequately the burdens of gambling
