Attract, Engage and Retain Top Talent Donna De St. Aubin, Brian J. Carlsen, 2008-10 An organisation with a superior employment brand is one whose leadership and workforce behaviours match the company brand Translation the value proposition for the business is reflected in the actions of the employees at all levels of the organisation Even for organisations that know how to attract the right talent the challenge turns to how to engage them in their work and retain them longer than the competition Every manager knows engaged and committed employees are proud to work for their employer and are dedicated to the organisation and willing to give the extra effort necessary to achieve the goals of the enterprise 50 Plus One Tips to Attract Engage and Retain Top Talent provides different approaches to engage your employees This book will serve as a blueprint for the creation or re creation of your desired place to work by attracting engaging and retaining your company's top talent

Effective Talent Management Mark Wilcox, 2016-06-10 Effective talent management is about aligning the business's approach to talent with the strategic aims and purpose of the organisation The core rationale of any talent strategy should be to have a direct positive impact on the organisation's goals but in many cases this is not so The ideas principles and approaches outlined here will enable the reader to understand the strategic nature of talent and design a response that meets the needs of their own organisation Case studies are used to illustrate the concepts and proven methodologies guide the day to day practice of the reader The content will link the strategic intent of HR with the practical actions it takes to make a positive impact on the business's results The author begins by examining the disconnected nature of talent management in many organisations how at times it has been a response to trends and seen by many as a bolt on to HR and he proposes a different model one that links clearly the development of a talent strategy with the achievement of a business strategy Mark Wilcox summarises succinctly the case for a more strategic approach to talent management one directly linked to business performance He concludes that the time is now right for talent management and therefore many HR managers to move from a functional support role to one with a direct strategic impact on the business
