Onitsuka Tiger Slip On Owners Manual:

Moody's International Manual, 1995 **The Global Brand** Nigel Hollis, 2008-09-30 A top executive at one of the world's leading marketing firms analyzes the familiarity and strength of brands and establishes five steps towards increasing brand strength in a globalized world. Rapid advances in modern technology present companies with quickly expanding marketing opportunities but they also create an over-saturated business landscape that both helps and hurts brands. *The Global Brand* is a thorough investigation of brand strength in the accelerated modern business world. Nigel Hollis draws on his experience at Millward Brown to present a simple formula for determining brand strength based on two axes: Presence or familiarity and Voltage or marketing appeal to illustrate the market value and performance of brands. He analyzes the five steps of customer commitment to a strong brand: Presence, Relevance, Performance, Advantage, and Bonding. Finally, Hollis emphasizes human nature as a set of constant core values that all brands should appeal to and analyzes the future of brand building as a profitable investment. In *The Global Brand*, Nigel Hollis not only corrects some of the misconceptions of the past but offers a glimpse of the future that is both perceptive and grounded in good business sense. Those who take the time to properly digest this book will save their companies a lot of money. Sir Martin Sorrell, Chief Executive Officer, WPP **Running**

In the wake of the Rana Plaza factory collapse in Bangladesh, the worst garment industry accident in recorded history, the words "fashion disaster" acquired a new and much more sinister meaning. Commentators suggested that the tragedy was completely predictable in a sector with a shocking track record of rampant environmental damage, the use of toxic chemicals, and chronic human rights abuse. Now the industry is undergoing a shift, and many of us are questioning our buying habits. The rise of socially and environmentally responsible retailers like Patagonia and The Body Shop has led to dramatic changes in the eco and ethical fashion landscape. Magnifeco is the Fast Food Nation of the fashion world: your guide to making a difference too. In this guide, author Kate Black examines non-toxic beauty and ethical fashion, recommends a multitude of ways for consumers to make better decisions, introduces the brands and designers leading the way along this socially responsible path. With this complete head-to-toe guide covering everything from hair and beauty products to shoes and footwear, you can feel better about everything you put on your body and be magnifeco.
