The Diary Of A So Called Saved Woman Part 1 Metamorphosis:

The Diary of a So-Called Saved Woman Gabrielle Brown, 2014-12-20 I don't think I'm saved after all I told God that if I ever figured this thing out that I would scream it to the mountain tops Little did I know that this thing does not get figured out I have however gotten certain revelations throughout my life This is a book about growth This is my journey to salvation if I ever get there This is my personal diary poetry that I have kept for years This book is the thoughts that so many of us share Hopefully reading some of my thoughts and beliefs people will come to relate It could help people understand that the thoughts that they are having are not so irrational after all Aren't we all saying to ourselves is this right Is this wrong Am I really saved What is salvation We all want to live this life that is pleasing to God but we struggle with so much of insecurities doubts sins and habitual patterns and we find ourselves either accepting our faults or really hating ourselves It seems like people battle between being themselves or putting on this so called saved facade This book reveals my frustrating walk to so called salvation This reveals my deepest secrets and suspicions I hold nothing back This is a book of uncertain certainties Some things we just do not know and it's okay Some things we question and it's okay God is not mad The intent of this book is to put every reader into their own metamorphosis giving them a better understanding of their salvation This is the book of transformation

The Second Part of King Henry IV William Shakespeare, 1599-1616 Giorgio Melchiori offers a new approach to the text of *The Second Part of King Henry IV* which he sees as an unplanned sequel to *The First Part* itself a remake of an old non-Shakespearean play *The Second Part* deliberately exploits the popular success of Sir John Falstaff introduced in Part One the resulting rich humour gives a comic dimension to the play which makes it a unique blend of history morality play and comedy Among modern editions of the play this is the one most firmly based on the Quarto Professor Melchiori presents an eminently actable text by showing how Shakespeare's own choices are superior for practical purposes to suggested emendations and by keeping interferences in the original stage directions to a minimum in order to respect as Shakespeare did the players freedom
