Pioneer Stories in Alcoholics Anonymous Dick B.,Ken B.,2012-12-20 Pioneer Stories in Alcoholics Anonymous God's Role in Recovery Confirmed by Dick B and Ken B presents many quotations from the 29 personal stories included in the first edition of Alcoholics Anonymous Those stories by many of A A s pioneers testify to roles played by God His Son Jesus Christ and the Bible in early A A s astonishing successes with medically incurable alcoholics **The Annotated Bibliography of Alcoholics Anonymous, 1939-1989** Charles Bishop,Bill Pittman,1989 This essential reference work contains over 1 400 publications by and about AA in its 50 year history in print Intended for professional personnel in various fields e g psychiatrists librarians and clergy Covers popular and scholarly journal articles books chapters pamphlets dissertations and all AA publications Entries give bibliographical information and concise annotation Index To be Continued-- Charles Bishop,Bill Pittman,1994 Making Known the Biblical History and Roots of Alcoholics Anonymous Dick B.,2006 One of a kind bibliography research and history resource containing explicit information about author Dick B s 16 years of research 1 Collecting over 25 000 books and materials on the roots of A A 2 Using them in the publication of his 26 titles more than 120 articles and over 30 audio talks 3 Describing where he went for the history where it is located who was interviewed and what it contains 4 It lists titles Dick used in his writing all of the background titles involved in A A s use of the Bible Quiet Time Oxford Group life changing program Anne Smith s Journal Rev Sam Shoemaker s teachings religious literature AAs read the United Christian Endeavor Movement Carl Jung William James William D Silkworth Richard Peabody Emmet Fox and many other New Thought influences 5 It lists all the books in A A founder Dr Bob s library and collections a list found nowhere else 6 It contains manuscripts from archives and libraries and personal collections all over the U S and England 7 There is a huge collection of temperance books and literature described 8 Topical books by A A about A A about alcoholism about spirituality about the Bible religion and clergy 9 Included are records of Dick s notes and interviews 10 Almost this entire collection of materials has been donated to and can now be found and studied at Griffith Library which is part of The Wilson House birthplace of Bill W in East Dorset Vermont Taken together this reference volume and the actual materials in the Griffith Library constitute the largest and most complete record of early A A historical materials in the world today other than the Library of Congress items **The Akron Genesis of Alcoholics Anonymous** Dick B.,2011-12-06 The story of A A s birth at Dr Bob s Home in Akron on June 10 1935 It tells what early AAs did in their meetings homes and hospital visits what they read and how their ideas developed from the Bible the Oxford Group and Christian literature It depicts the roles of A A founders and their wives and of Henrietta Seiberling and T Henry Clarace Williams Foreword by John F Seiberling

Twelve Steps for You Dick B.,2005 The much awaited work of A A Historian Dick B on the origins of each of the Twelve Steps First and foremost a history of each step How each of A A s co founders contributed to each of the Steps It looks at the original Akron A A program which had no Steps and took its basic ideas from the Bible and its principles and practices

primarily from the United Christian Endeavor Movement of Dr Bob's youth. Then source by source it looks at each Step as it was impacted upon by a particular contributor: The Bible, Oxford Group, Rev Sam Shoemaker, Dr Bob's wife Anne Smith, the so-called Six Steps, then the other sources. This book is an historical study of the roots of each Step and it can be used for individual and group study of the Steps in a very meaningful way. It is also a guide: A guide to understanding and a guide to taking each Step. It also shows you how to take the Steps exactly as directed in AA's Big Book. It suggests how you might look at each Step in terms of the contributions to that Step's language and meaning by each of its sources. Finally it provides Christians and other students with a means of considering learning and taking each of the Steps in light of that Step's biblical and historical roots with the Big Book, Bible and history at hand. When you are through you will have a perspective of the real spiritual utility of the Twelve Steps in a believer's world despite the secularization and universalism that are diluting all Twelve Step programs and the language used in connection with the Steps. For example, God as we understood Him historically and biblically means Almighty God, the Creator as He is understood by the newcomer at the time of taking Steps 3 and 11. So too, powerless in Step 1 is presented in its historical context. I was licked rather than in some puzzling linguistic context seldom understood or unraveled. You'll know and guide the taking of the Twelve Steps as they were intended to be understood and as you never did before.

AB Bookman's Weekly, 1998 *Fine Books & Collections*, 2008 The Book That Started It All Anonymous, 2013-09-03. An extraordinary reproduction of the original working manuscript of the Big Book of Alcoholics Anonymous with an introduction and notes by a panel of celebrated AA historians. The Book That Started It All offers fresh insights into the history and foundation of the revolutionary Alcoholics Anonymous program. Reproduced in this elegant gift edition, the original working manuscript is the missing link in our understanding of what transpired between AA founder Bill Wilson's first draft of Alcoholics Anonymous and the first published edition. In January 1939 Wilson and other AA founders distributed 400 copies of his typed manuscript to everyone they could think of who might be concerned with the problem of alcoholism to test out the program. As the loan copies were returned, suggestions for revision were considered and written out in colored pencil on one master copy that was eventually submitted for publication. The many changes made in black, green, and red on page after page are shown here in their original form, revealing the opinions, debates, and discussions that went into making the Big Book. **The National Union Catalog, Pre-1956 Imprints**, 1974 **A.A.
