Jim Talbott, Andrew Brown, 2019-10-21 The Alfa Romeo 105 series Spider is one of the most admired drop head sports cars to come out of Italy. Launched in 1966, its radical new look was not immediately welcomed. With over 330 photographs, many specially commissioned, this new book describes the Alfa Romeo company history, including its philosophy of incorporating driver appeal into all of its products, resulting in some of the most desirable vehicles of their age. It details the evolution of the 105/115 series through four distinct body styles, lists the technical design specifications, and every major version of the Spider, and finally discusses the issues and challenges of finding and owning a classic Spider.
