Advent: A Calendar of Devotions 2011 - Large Print Robert V. Dodd, Abingdon Press, 2011-08 Devotions for each day during Advent printed in easy to read 14 point type each reading includes a suggested Scripture a short devotion and a closing prayer

French Books of Hours Virginia Reinburg, 2012-02-02 How was the Book of Hours created and used as a book and what did it mean to its owners

Chronometres Krista Lysack, 2019-09-20 What does it mean to feel time to sense its passing along the sinews and nerves of the body as much as the synapses of the mind And how do books as material arrangements of print and paper mediate such temporal experiences

Chronometres Devotional Literature Duration and Victorian Reading Culture is a study of the time inflected reading practices of religious literature the single largest market for print in Victorian Britain It examines poetic cycles by John Keble Alfred Tennyson Christina Rossetti and Frances Ridley Havergal family prayer manuals Sunday reading books and periodicals and devotional gift books and daily textbooks

Designed for diurnal and weekly reading chronometrical literature tuned its readers attentions to the idea of eternity and the everlasting peace of spiritual transcendence but only in so far as it parcelled out reading into discrete increments that resembled the new industrial time scales of factories and railway schedules Chronometres thus takes up print culture affect theory and the religious turn in literary studies in order to explore the intersections between devotional practice and the condition of modernity It argues that what defines Victorian devotional literature is the experience of its time signatures those structures of feeling associated with its reading durations For many Victorians reading devotionally increasingly meant reading in regular portions and often according to the calendar and work day in contrast to the liturgical year Keeping pace with the temporal measures of modernity devotion became a routinized practice a way of synchronizing the interior life of spirit with the exigencies of clock time Chronometres considers how the deliverances afforded through time scaled reading are persistently materialised in the body both that of the book and of the reader Recognizing that literature and devotion are not timeless abstractions it asks how the materiality of books conceived as horological relationships through reading might bring about the felt experience of time Even as Victorian devotion invites us to tarry over the page it also prompts the question what if it is eternity that keeps time with the clock

All You That Labor C. Melissa Snarr, 2011 OC Come to me all you that labor and are heavy laden and I will give you rest OCOMatthew 11:28 AKJV In the early 1990s a grassroots coalition of churches in Baltimore Maryland helped launch what would become a national movement Joining forces with labor and low wage worker organizations they passed the first municipal living wage ordinance Since then over 144 municipalities and counties as well as numerous universities and local businesses in the United States have enacted such ordinances Although religious persons and organizations have been important both in the origins of the living wage movement and in its continuing success they are often ignored or under analyzed Drawing on participant observation in multiple cities All You That Labor analyzes and evaluates the contributions of religious activists to the movement The book explores the ways

religious organizations do this work in concert with low wage workers the challenges religious activists face and how people of faith might better nurture moral agency in relation to the political economy Ultimately C Melissa Snarr provides clarity on how to continue to cultivate renew and expand religious resources dedicated to the moral agency of low wage workers and their allies
