Should I Fight? Barry W. Bussey, 2010-12-31 Since its organization in 1863 the Seventh day Adventist Church has been counter cultural In its Christian witness to modern society it has advocated keeping the seventh day Sabbath vegetarianism abstinence from tobacco and alcohol and refusal of its members to bear arms But the stance on the refusal to bear arms has seen a metamorphous in modern times Today more Seventh day Adventist young people have voluntarily joined the military than in any previous generation of the Church s history This volume is a compilation of essays that were presented at a conference called to discuss the Adventist Church s position on conscientious objection The presenters considered the history of the Church s stand and the changing views These discussions were not limited to American context but considered other countries including South Africa and Canada
