Discipleship Handbook General Conference Sabbath School and Personal Ministries, 2018-01-01 There is no higher
calling than to be a disciple of Jesus Christ Nothing compares to knowing and following the Savior of the world To know Him
is to love Him and to follow Him is a wonderful adventure Still the discipleship journey is full of pitfalls and snares that
threaten to lead us away from the narrow path that leads to heaven If the devil had his way every Christian would be lulled to
spiritual slumber or led into forbid den paths that would steal the heart away from God Therefore even after we are baptized
it is imperative that we continue to grow into active and mature disciples of Christ The Discipleship Handbook will benefit
anyone seeking such an experience with Jesus It may be used for personal study or in Sabbath schools prayer meetings small
groups or one on one settings It is more than a book about discipleship Rather it contains everything needed for a six month
Bible based discipleship plan for Seventh day Adventist churches and their members The Discipleship Handbook was
developed to ensure that the most essential areas of discipleship are covered The devotional life personal witnessing church
life Christian lifestyle and evangelism each receive special emphasis For newer members the 26 chapters of the Discipleship
Handbook serve as the heart of 26 weekly meetings with a more experienced mentor *Church manual* British Union

biblical foundations of the doctrine and addresses objections that have been raised Other sections trace the development of the doctrine in Christian history in Adventist history and in the writings of Ellen White The authors explain why the doctrine was resisted by many of the leading pioneers The final section asks So what It discusses the theological and practical implications of Trinitarian belief worship and practice showing how it affects what we believe about salvation atonement the great controversy and other significant doctrines With glossaries bibliography and index this comprehensive primer on the Trinity will shed new light on the central beliefs of Christianity and show how God still leads His church into all truth

The Elephant in the Room Sadrail Saint-Ulysse PhD MDiv, 2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don't think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments Deuteronomy 6:4-8 and Isaiah 54:13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28:16-20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner

Lunjika SDA Mission in Northern Malawi 1932 - 1995 Banda, Macleard, 2018-05-22 The missionary work of the Seventh day Adventist Church started in Southern Malawi in 1902 and histories of churches are usually told from that starting point This book uses a different approach it tells the story of Lunjika Mission earlier called Mombera Mission which begins in 1932 showing how the SDA Church met a new culture that of the strongly patrilineal Ngoni and their neighbours to the North and how it dealt with other churches that had started missionary work in that broad area up to two generations before
