The Adventure of Discipleship Daniel A. Keating,2018-11-01 Jesus tells us that to be his disciple we must surrender everything and with his grace brave the path provided for us by God Such a sojourn will surely be marked by joy suffering uncertainty and above all adventure Accordingly The Adventure of Discipleship presents the Gospel through the lens of great adventure stories from J R R Tolkien s The Lord of the Rings and C S Lewis s Chronicles of Narnia to popular adventure movies comic book superheroes and TV series While these stories we create and read and retell are but reflections and refractions of the great adventure of discipleship they provide us with genuine insight into life with Christ Author Daniel Keating shows why we must respond to the call of discipleship with venturesome faith as many great saints have before us Along the way of discipleship we come to understand the cost of following Jesus the importance of hope in light of setbacks and the gift of true friendship in this great adventure The Necessity of Witness Ariaan Baan,2015-08-17

The role of witness is a recurring theme in the work of Stanley Hauerwas it is through enacting the truth in a world of lies through seeking peace in a world of violence that witnesses show who God is who we are and what the world is like The Necessity of Witness is a study of Hauerwas and his fascinating but complex understanding of witness Ariaan W Baan argues that Hauerwas s approach makes a significant contribution to current debates in systematic theology on the relation between truth and life Reading Hauerwas can be a precarious adventure His rhetoric is overwhelming but his argument is not always crystal clear and carefully formulated With the help of semiotic and philosophical analysis and biblical exegesis Baan articulates Hauerwas s intuitions fills some of the gaps in his argumentation and discloses hidden biases The results of this analysis sometimes surprise Baan notes that unexpected pericopes in Scripture such as Isaiah and Revelation support

Hauerwas's account of witness and concludes that his work offers insight into how in our late modern society such diverse groups as martyrs and pop stars offer implicit witness through their lives
