This service manual is designed primarily for use by certified Acura Master Technician Center technicians. It is a properly equipped shop and should be kept available for reference. All references to left and right side of the vehicle are from the operator's perspective when seated in a normal driving position.

Some procedures outlined in this manual require a sound knowledge of mechanical theory, tool use, and shop procedures in order to perform the work safely and correctly. Technicians should read the text and the familiar with service procedures before starting the work. Certain procedures require the use of special tools. Use only the proper tools as specified.
