**The Alice Books and the Contested Ground of the Natural World** Laura White,2017-06-26 Though popular opinion would have us see Alice's Adventures in Wonderland and Through the Looking Glass and What Alice Found There as whimsical nonsensical and thoroughly enjoyable stories told mostly for children contemporary research has shown us there is a vastly greater depth to the stories than would be seen at first

glance Building on the now popular idea amongst Alice enthusiasts that the Alice books at heart were intended for adults as well as children Laura White takes current research in a new fascinating direction During the Victorian era of the book s original publication ideas about nature and our relation to nature were changing drastically The Alice Books and the Contested Ground of the Natural World argues that Lewis Carroll used the book s charm wit and often puzzling conclusions to counter the emerging tendencies of the time which favored Darwinism and theories of evolution and challenged the then conventional thinking of the relationship between mankind and nature Though a scientist and ardent student of nature himself Carroll used his famously playful language fantastic worlds and brilliant often impossible characters to support more the traditional Christian ideology of the time in which mankind holds absolute sovereignty over animals and nature Baby, Let's Talk! Body Part Words (Book 5) Leanne Staback,2025-01-09 Let s Talk Developing Baby s First 100 Words helps parents guide children in developing their vocabulary for the most common 100 words babies first speak In this fifth book of Developing Baby s First 100 Words series together we will teach your children the words most used by infants in their first few months of speech These include body parts like hair shoulders torso and legs **Did You Steal my MILK?** Serena Lane Ferrari,2020-01-13 A fun and engaging rhyming book that gently addresses the emotional lives of animals and how dairy industry impacts a mother cow and her calf Serena deserves a constellation of stars for consistently writing picture books that capture children s attention and deliver important messages G Williams editor Did you steal my MILK it s both an entertaining read and a resource to inspire parents and children to talk about increasingly important subjects L A writer It s a fun and informative short story into environmental awareness published by Save the Animals Books Perfect for parents wanting to educate their kids about animals nature and plant based dairy alternatives A wonderful gift for teachers librarians and educators who are looking to teach about intensive animal farming and how it affects animals ecosystems and climate Did you steal my MILK is a story that speaks directly to kids showing a mother s bond with her calf and introducing veganism to early readers The book also includes a separate section in collaboration with Animal Equality with facts about dairy industry to help parents improve their knowledge on the matter *Sloane the Smiling Sloth" (full version)* Leanne Staback,2024-11-01 Sloane lives in the Osa Peninsula of the Costa Rica rainforest She loves her lazy lifestyle and watching the activity happening around her each night One fine evening she befriends a troop of monkeys who teach her that there is more to life than just watching the forest Sloane in turn teaches her new friends that pleasure can also be found in slowing down and focusing on the beauty of earth
