Alcoholics Anonymous The Big Book 4th Edition:

Alcoholics Anonymous, Fourth Edition Alcoholics Anonymous World Services, Inc., 2013-12-04 Known as the Big Book the basic text of Alcoholics Anonymous has helped millions of people worldwide get and stay sober since the first edition appeared in 1939 Opening chapters articulate A A s program of recovery from alcoholism the original Twelve Steps and recount the personal histories of A A s co founders Bill W and Dr Bob In the pages that follow more than 40 A A members share how they stopped drinking and found a new healthier and more serene way of life through the Fellowship of Alcoholics Anonymous Whether reading passages at meetings reading privately for personal reflection or working with a sponsor the Big Book can be a source of inspiration guidance and comfort on the journey to recovery This Fourth Edition of Alcoholics Anonymous has been approved by the General Service Conference

The Book That Started It All Anonymous, 2013-09-03 An extraordinary reproduction of the original working manuscript of the Big Book of Alcoholics Anonymous with an introduction and notes by a panel of celebrated AA historians The Book That Started It All offers fresh insights into the history and foundation of the revolutionary Alcoholics Anonymous program Reproduced in this elegant gift edition the original working manuscript is the missing link in our understanding of what transpired between AA founder Bill Wilson s first draft of Alcoholics Anonymous and the first published edition In January 1939 Wilson and other AA founders distributed 400 copies of his typed manuscript to everyone they could think of who might be concerned with the problem of alcoholism to test out the program As the loan copies were returned suggestions for revision were considered and written out in colored pencil on one master copy that was eventually submitted for publication The many changes made in black green and red on page after page are shown here in their original form revealing the opinions debates and discussions that went into making the Big Book

Surrendered—The Sacred Art Rami Shapiro, 2019-07-23 To live the surrendered life a life no longer centered on control and hence no longer at odds with the ordinary suffering of everyday living Rabbi Rami closely examines the first three steps of Twelve Step recovery to help us cut through the denial illusions and falsehoods that bind us in our fight with addictions of all kinds He draws upon his half century engagement with Christianity Judaism Buddhism Taoism Hinduism and Islam as well as his own and other people s struggles in Twelve Step recovery to guide us in our awakening to reality s freedom and the path to living joyously and well

The Good Book - Big Book Guide Book Dick B., 2011-07-26 You don t need to leave A A or any other 12 Step program or even a treatment program just because you are a Christian Nor do you need to flee to an exclusively Christian Fellowship Christian Treatment Program or Christian Track Program just to believe or profess your beliefs in connection with your own recovery You re the boss You need all the help you can get We ve long needed a guide that will use history to help you in your recovery whatever your choice of fellowships groups recovery programs or treatment programs The original Akron A A Christian fellowship with its emphasis on reliance on the Creator of the heavens and the earth acceptance of Jesus Christ as Lord and Savior Bible study prayer guidance

fellowship and witness is nothing to be buried to be hushed up or to be afraid of mentioning It s a part of recovery history the most important part the part that set A A apart in the 1930 s as a cure for the medically incurable an alternative to medicine hospitalization and clergy dominated ideas It embraced them all but stood for the importance of a Society that took these ideas and let drunks be the message carriers You can do this too and probably better if you know your history Include this guide book in your reading Include it in your recovery Include it in your fellowship or group Include it with any other recovery program secular Christian or rational It s history It tells you what worked It tells you how you can choose to use it today if you wish It will help you understand words and phrases and ideas that came from historical roots And it doesn t bash other ideas or fellowships It seeks to inform all and urge them to include history in their curriculum This is a guide to history that has not been available before It s a guide that will supplement and not replace It s a guide for you Pioneer Stories in Alcoholics Anonymous Dick B.,Ken B.,2012-12-20 Pioneer Stories in Alcoholics Anonymous God s Role in Recovery Confirmed by Dick B and Ken B presents many quotations from the 29 personal stories included in the first edition of Alcoholics Anonymous Those stories by many of A A s pioneers testify to roles played by God His Son Jesus Christ and the Bible in early A A s astonishing successes with medically incurable alcoholics **What is Alcoholics Anonymous?** Marc Galanter,2016 Alcoholics Anonymous has two million members worldwide yet this fellowship remains a mystery to most people and is even viewed by some as a cult or a religion Written by an award winning psychiatrist and educator in the treatment of alcohol and drug abuse What Is Alcoholics Anonymous provides the most in depth overview to date of this popular and established yet poorly understood recovery movement The result is a thorough objective and accessible investigation into what AA is how it works and how the organization might be considered and used by both healthcare professionals and anyone affected by pursuit of recovery The James Club and the Original A. A. Programs Absolute Essentials Dick B.,2011-07-26 For years A A has quietly acknowledged primarily through one publication that the early A A pioneers in Akron believed firmly that the answer to all their problems was in the Good Book as they called the Bible A A cofounder Dr Bob said that all the basic ideas were taken from their study of the Good Book And he added many many times that the three parts of the Bible the old timers considered absolutely essential to their spiritual program of recovery were 1 The Book of James 2 Jesus s Sermon on the Mount Matthew 5 7 3 1 Corinthians 13 Paul s famous chapter on love You can find the foregoing remarks in A A s DR BOB and the Good Oldtimers in pamphlets published by Akron AA and in several talks given through the years by Dr Bob himself And it was even his co founder friend Bill Wilson who spoke of the studies of James the Sermon and Corinthians the reading of these passages by Dr Bob s wife Anne to Bill and Bob and the fact that as Bill put it James was our favorite And he added that many favored calling the A A fellowship The James Club But this title offers a great deal more In three major parts it provides a detailed framework for studying each of the three Bible parts just as the A A pioneers did The reader can sit with his Bible open beside him his Big Book available for reference and Dick B s The James Club title before him He can study

each of the three parts digest their messages compare with the A A program and its ideas and then apply these biblical truths in daily life in practicing the Twelve Steps and in understanding the miracles that the Creator Yahweh wrought when the pioneers read and believed The first part of the book covers Jesus Sermon on the Mount Matthew 5 7 which both Bill W and Dr Bob said contained the underlying spiritual philosophy of A A The title begins with the Book of James however Dick B details why it has primacy in the study based in part on its being the AAs favorite and in part on the ease with which it can be read and understood Yet the meat of this wonderful book of the Bible lies in its explicit formula for cure especially the cure of the alcoholic James speaks of patience He speaks of enduring temptation He speaks of seeking God s wisdom without doubting He speaks of temptation as the enticement which turns into sin and finally death He strongly suggests that the readers be doers of the word the Bible not hearers only deceiving themselves He spells out what doing the Word is It s about action it s about following the royal law of loving thy neighbor its about benevolent giving without respect of persons and with specific aim at the downtrodden it s about backing up one s faith with deeds works as James called them it s about guarding the tongue and guarding the thoughts and guarding the actions so that devilish thoughts and impulses do not take over and finally it s about the importance of prayer confession of faults and the Lord s forgiveness and about prayer for healings In a nutshell this book summarizes the whole pioneer approach in Akron and of course it has nothing to do with steps or a basic text or the Oxford Group For there were no Steps no Traditions no Big Books no drunkalogs and no meetings as we know them today It s about God s healing ministry as A A old timer Clarence Snyder put it Then there s 1 Corinthians 13 and its relationship to Henry Drummond s famous treatise The Greatest Thing in the World
