Managing My Life: My Autobiography Alex Ferguson, 2011-12-08 The best football autobiography I have ever read The Sunday Times Alex Ferguson is a legend in his lifetime universally respected for his tough but caring managerial style This book covers the beginning of his football career including his triumphant 1999 run to the treble and a Knighthood from the Queen Covering his tough Govan upbringing through to his playing days and onto his shift into management Managing My Life is told with the fine balance of biting controversy and human sensitivity **The Four Speeches Every Leader Has to Know** Bård Norheim, Joar Haga, 2019-05-21 This book provides a rhetorical manual for political and business leaders to motivate followers even in times of hardship It covers the fine art of persuasion and argues that there are four speeches every leader has to know the opening speech the executioner speech the consolation speech and the farewell speech The

authors explore how leaders could speak in order to appear credible to an audience and they argue that the leader has to take on suffering and give meaning to the suffering people experience The book analyzes speeches from a wide variety of speakers including Sir Winston Churchill Barack Obama Nelson Mandela and Angela Merkel and ends with a rhetorical dictionary for leaders to help readers familiarize themselves with helpful terms from rhetorical theory

Leadership Explained Nicholas Harkiolakis,2016-11-03 Unfortunately leadership does not have a one size fits all definition We all have our own ideas as to what makes a good leader and the types of challenges that will be faced The author bridges a gap by presenting how modern leadership happens while simultaneously combining a description of leadership and its practical application in today s environments In this book Nicholas Harkiolakis integrates the various theoretical perspectives into a unified model that can be understood by both the academic and the practitioner existing and future leaders This understanding is necessary to effectively treat and apply leadership to the challenging settings of today s operational environments virtual distributed multicultural and so on Some of the key topics covered are leadership through the ages characteristics of leadership modern perspectives an integrated leadership framework the application of leadership the twenty first century leadership practices

Leadership in Organizations John Storey,2016-06-10 This third edition of *Leadership in Organizations Current Issues and Key Trends* builds on the success of the previous versions with new and updated chapters providing fresh and lively insights into a subject that can often be tricky to pin down *Leadership in Organizations* carefully balances theory and practice including critical perspectives to examine fundamental questions about the meaning of leadership its use and its development Readers will benefit from the text s rich use of cases and examples of real life tensions challenges and successful outcomes of leadership practice The book also sets itself apart through its distinctive focus on leadership within the wider contexts of politics economics and public policy as well as organizational behaviour and management New elements for this edition include The moral pitfalls of leadership Leadership roles under crisis conditions Fresh analysis of the impact of leadership on performance outcomes This is the ideal text for advanced students of leadership studies as well as practitioners looking to deepen their understanding of the leadership process and to enhance their leadership skills
