Alexander The Great And The Logistics Of The Macedonian Army:

Alexander the Great and the Logistics of the Macedonian Army Donald W. Engels, 1978 The most important work on Alexander the Great to appear in a long time Engels uses all the archaeological work done in Asia in the past generation and makes it accessible Careful analysis of terrain climate and supply requirements are throughout combined in a fashion to help account for Alexander's strategic decision in the light of the options open to him The chief merit of this splendid book is the way in which it brings an ancient army to life as it really was and moved the hours it took for simple operations of washing and cooking and feeding animals the train of noncombatants moving with the army New York Review of Books

Ancient Battle

Formations Justin Swanton, 2020-08-30 An analysis of ancient Greek Roman and Macedonian winning battle formations from why they worked the equipment and men used and how they broke down Justin Swanton examines the principal battle winning formations of the ancient world determining their composition function and efficacy An introductory chapter looks at the fundamental components of the principal battle formations of heavy and light infantry cavalry elephants and chariots showing how they bolstered the individual s soldier s willingness to fight The rest of the book focuses on massed infantry that reigned supreme in this era the heavily armored Greek hoplite phalanx that was immune to the weaponry of its non Greek opponents the Macedonian pike phalanx that was unbeatable against frontal attacks so long as it kept order the Roman triplex acies which contrary to popular opinion consisted of continuous lines in open order with file spaces wide enough to allow embattled infantry to fall back after which those files closed up instantly against the enemy A careful study of the Greek and Latin of the sources sheds fresh light on how these formations were organized and worked reevaluating many conventional notions and leading to some surprising conclusions Praise for Ancient Battle Formations This book is both important for its thoroughly researched original and well argued historical conclusions and an enjoyable read Highly recommended Professor F Noel Zaai BA LLB University of Natal LLM Durban Westville LLM Columbia PhD Wits

Alexander's Marshals Waldemar Heckel, 2016-08-05 This substantially revised and updated second edition of *The Marshals of Alexander s Empire* 1992 examines Alexander s most important officers who commanded army units and were involved in military and political deliberations Chapters on these men have been expanded giving greater attention to personalities bias in the sources and the social as well as military setting including

more on familial connections and regional origins in an attempt to create a better understanding of factions The major confrontations military and political are treated in greater detail within the biographies and a discussion of the organization and command structure of the Makedonian army has been added *The Logistics of War..* , **Affective Relations and Personal Bonds in Hellenistic Antiquity** Monica D'Agostini,Edward M. Anson,Frances Pownall,2020-11-23 The intense bonds among the king and his family friends lovers and entourage are the most enticing and intriguing aspects of Alexander the Great s life The affective ties of the protagonists of Alexander s Empire nurtured the interest of the ancient authors as well as the audience in the personal life of the most famous men and women of the time These relations echoed through time in art and literature to become paradigm of positive or negative human behavior By rejecting the perception of the Macedonian monarchy as a positivist king army based system and by looking for other political and social structures Elizabeth Carney has played a crucial role in prompting the current re appraisal of the Macedonian monarchy Her volumes on *Women and Monarchy in Ancient Macedonia* University of Oklahoma Press 2000 *Olympias Mother of Alexander the Great* Routledge 2006 *Arsinoe of Egypt and Macedon A Royal Life* Oxford University Press 2013 have been game changers in the field and has offered the academic world a completely new perspective on the network of relationships surrounding the exercise of power By examining Macedonian and Hellenistic dynastic behavior and relations she has shown the political yet tragic heroic thus human side thus connecting Hellenistic political and social history Building on the methodological approach and theoretical framework engendered by Elizabeth Carney s research this book explores the complex web of personal relations inside and outside the oikos family governing Alexander s world which sits at the core of the inquiry into the human side of the events shedding light on the personal dimension of history Inspired by Carney s seminal work on *Ancient Macedonia* the volume moves beyond the traditionally rationalist and positivist approaches towards Hellenistic antiquity into a new area of humanistic scholarship by considering the dynastic bloodlines as well as the affective relations The volume offers a discussion of the intra and extra familial network ruling the Mediterranean world at the time of Philip and Alexander Building on present scholarship on relations and values in Hellenistic Monarchies the book contributes to a deeper historical understanding of the mutual dialogue between the socio cultural and political approaches to Hellenistic history *War, Culture and Society in Early Modern South Asia, 1740-1849* Kaushik Roy,2011-03-30 This book examines military success of the British in South Asia during the eighteenth and first half of the nineteenth centuries Placing South Asian military history in global comparative context it examines military innovations armies and how they conducted themselves navies and naval warfare major Indian military powers and the British explaining why they succeeded [Brill's Companion to Diet and Logistics in Greek and Roman Warfare](#) ,2023-12-04 The adage that an army marches on its stomach finds renewed emphasis in this collection of essays Focusing on military diet and supply from Homer through the Roman Empire *Diet and Logistics in Greek and Roman Warfare* explains regional dietary options and reassesses traditional notions

of provisioning while exploring topics ranging from strategy and subterfuge to trade and terror Through fresh insights drawn from current research and excavation spanning the Greco Roman world contributors confirm how providing food and drink for soldiers was critical to every army s success and survival This volume stimulates reevaluation of ancient militaries and encourages new research *Early Carolingian Warfare* Bernard S. Bachrach, 2011-03-08 Without the complex military machine that his forebears had built up over the course of the eighth century it would have been impossible for Charlemagne to revive the Roman empire in the West Early Carolingian Warfare is the first book length study of how the Frankish dynasty beginning with Pippin II established its power and cultivated its military expertise in order to reestablish the regnum Francorum a geographical area of the late Roman period that includes much of present day France and western Germany Bernard Bachrach has thoroughly examined contemporary sources including court chronicles military handbooks and late Roman histories and manuals to establish how the early Carolingians used their legacy of political and military techniques and strategies forged in imperial Rome to regain control in the West Pippin II and his successors were not diverted by opportunities for financial enrichment in the short term through raids and campaigns outside of the regnum Francorum they focused on conquest with sagacious sensibilities preferring bloodless diplomatic solutions to unnecessarily destructive warfare and disdained military glory for its own sake But when they had to deploy their military forces their operations were brutal and efficient Their training was exceptionally well developed and their techniques included hand to hand combat regimented troop movements fighting on horseback with specialized mounted soldiers and the execution of lengthy sieges employing artillery In order to sustain their long term strategy the early Carolingians relied on a late Roman model whereby soldiers were recruited from among the militarized population who were required by law to serve outside their immediate communities The ability to mass and train large armies from among farmers and urban dwellers gave the Carolingians the necessary power to lay siege to the old Roman fortress cities that dominated the military topography of the West Bachrach includes fresh accounts of Charles Martel s defeat of the Muslims at Poitiers in 732 and Pippin s successful siege of Bourges in 762 demonstrating that in the matter of warfare there never was a western European Dark Age that ultimately was enlightened by some later Renaissance The early Carolingians built upon surviving military institutions adopted late antique technology and effectively utilized their classical intellectual inheritance to prepare the way militarily for Charlemagne s empire *Army Logistician* , 2008

Alexander The Great And The Logistics Of The Macedonian Army Introduction

In today's digital age, the availability of Alexander The Great And The Logistics Of The Macedonian Army books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Alexander The Great And The Logistics Of The Macedonian Army books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Alexander The Great And The Logistics Of The Macedonian Army books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Alexander The Great And The Logistics Of The Macedonian Army versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Alexander The Great And The Logistics Of The Macedonian Army books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Alexander The Great And The Logistics Of The Macedonian Army books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Alexander The Great And The Logistics Of The Macedonian Army books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts

millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Alexander The Great And The Logistics Of The Macedonian Army books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Alexander The Great And The Logistics Of The Macedonian Army books and manuals for download and embark on your journey of knowledge?
