Scogna Jr., 2019-08-05 Our symptoms are messages we were meant to decode But are we listening SAF translates our symptom patterns from

twenty three systems making this the Rosetta Stone for humans an ancient future speak that has already been encoded in our DNA We can learn this coded language to improve our lives Combinations of numbers create a complex image a snapshot in time for us to examine Life can be a puzzle at times If you have any problem in your life this means it is in your system Doesn't it make sense that the solution will be found inside your system too The trick has always been how you find your answers Given the choice each of us has a problem or two we could do without Although we make choices every day somehow the same old problems return time and again Throughout this book you'll learn how the mind works and how unresolved traumas from the past can still influence you and your behavior patterns in the present time SAF presents an opportunity for you to see your situation in a new light and then something magical happens a spark of understanding occurs In this ah ha moment stuck energy is released and you will feel it Thousands have studied this method of self awareness through practitioners offices It is now available to the general public in an easy to understand format Just follow the instructions When you learn to read your SAF chain sequence the pieces of the puzzle those confusing emotions lack of energy or faded memories of a traumatic event will begin to fall into place Let SAF be the first step on the road to discovery It will be a fascinating journey because it is a discovery about you
