***A Walk in My Shoes*** D. Rod Lloyd, 2023-01-01 Autobiography by D Rod Lloyd transitioning from an English background to a US adulthood Learn what small things growing up formed the basis of the man They say to truly know and understand a man you need to walk a mile in his shoes Here is an opportunity to walk in my shoes and get to know me a little There have been many autobiographies written by famous people or those who have made some notable contribution making their story sought after I write this not as a famous or prominent person but as an average lad for those who are interested to see what my average life has consisted of and to truly see where I am coming from I wish my grandparents had written such a book for me to know them better In school I was the worst writer and speller Now I am writing as a published author This book has helped me understand my past and put all the pieces into perspective understand how each experience has affected and influenced my life Getting started was the hardest part Once I started writing I became addicted and consumed I couldn't stop It was almost like I needed to see where I came from and where it was taking me They say when you have a near death experience your life flashes before you Writing your own life story is a much more civilized way to get what I assume is the same experience It is a fascinating journey revisiting one's own life Our memories are stored in the mind as little pockets of isolated information Writing this book has allowed me to consolidate the memories into a logical and chronological order

Money From Mobiles By an Old Pro D. Rod Lloyd,2023-01-21 The most comprehensive book on Mobile Homes This is a nuts and bolts description of how to make money from mobile homes I have no intention of talking you into this plan by giving brainwashing example after example of the deals I am also not going to gloss over the pitfalls and problems of the system either It is not a get rich quick scheme and there is some risk involved It takes some cash to run the system and I do not recommend doing it on a shoestring It takes some time but can be a lot of fun However it is possible to make an excellent return on your investment Today interest rates have almost shriveled up and died Those who have saved all their lives to secure retirement have a wake up call from failed speculative investments or almost zero interest rates for safe investments
