standing immediately in front of me He was quite close The roar of the elements had covered his approach **Critical Approaches to Horror Comic Books** John Darowski, Fernando Gabriel Pagnoni Berns, 2022-08-16 This volume explores how horror comic books have negotiated with the social and cultural anxieties framing a specific era and geographical space Paying attention to academic gaps in comics scholarship these chapters engage with the study of comics from varying interdisciplinary perspectives such as Marxism posthumanism and theories of adaptation sociology existentialism and psychology Without neglecting the classical era the book presents case studies ranging from the mainstream comics to the independents simultaneously offering new critical insights on zones of vacancy within the study of horror comic books while examining a global selection of horror comics from countries such as India City of Sorrows France Zombill nium Spain Creepy Italy Dylan Dog and Japan Tanabe Gou s Manga Adaptations of H P Lovecraft as well as the United States One of the first books centered exclusively on close readings of an under studied field this collection will have an appeal to scholars and students of horror comics studies visual rhetoric philosophy sociology media studies pop culture and film studies It will also appeal to anyone interested in comic books in general and to those interested in investigating intricacies of the horror genre

The Oxford Handbook of Global Realisms Vaysman, 2025-11-04 Realism is an artistic practice that aims to faithfully represent reality Historically it has been practiced across different media from early pictorial art and epic oral narratives through literature and visual arts to film music and digital media However an understanding of what it means to faithfully represent reality is not universal rather it varies from culture to culture The Oxford Handbook of Global Realisms approaches realism as a transnational transhistorical and intermedial global phenomenon It brings the diversity of global realisms to the fore showcasing previously underrepresented and marginalized theories practices forms and media of realist cultural production *Pharos, the Egyptian* Guy Boothby, 2016-02-17 In this 1899 adventure one of the era s most popular writers of sensationalistic fiction spins a sinister yarn in which a mummy s curse threatens to destroy the Western world

The Stuff of Dreams Edward Lucas White, 2016-04-20 This original compilation presents 10 chilling tales of terror two haunting poems and an essay by an unjustly neglected author Edward Lucas White weaves a tapestry of weird stories populated by ghouls monsters and creatures of ancient myth *Varney the Vampyre* James Malcolm Rymer, Thomas Peckett Prest, 2015-02-03 In this gripping Gothic drama of the 1840s the bloodthirsty title character repeatedly dies but is reborn and forced to renew his relentless search for victims Volume 2 of 2 **The Forest and the EcoGothic** Elizabeth Parker, 2020-02-13 This book offers the first full length study on the pervasive archetype of The Gothic Forest in Western culture The idea of the forest as deep dark and dangerous has an extensive history and continues to resonate throughout contemporary popular culture The Forest and the EcoGothic examines both why we fear the forest and how exactly these fears manifest in our stories It draws on and furthers the nascent field of the ecoGothic which seeks to explore the intersections between ecocriticism and Gothic studies In the age of the Anthropocene this work importantly interrogates our relationship to and understandings of the more than

human world This work introduces the trope of the Gothic forest as well as important critical contexts for its discussion and examines the three main ways in which this trope manifests as a living animated threat as a traditional habitat for monsters and as a dangerous site for human settlement This book will appeal to students and scholars with interests in horror and the Gothic ecohorror and the ecoGothic environmentalism ecocriticism and popular culture more broadly The accessibility of the subject of The Deep Dark Woods coupled with increasingly mainstream interests in interactions between humanity and nature means this work will also be of keen interest to the general public
