What Is The What By Dave Eggers:

What is the What Dave Eggers, 2011-10-27 *What is the What* is Dave Eggers's astonishing novel about one of the world's most brutal civil wars. Valentino Achak Deng is just a boy when conflict separates him from his family and forces him to leave his small Sudanese village, joining thousands of other orphans on their long, long walk to Ethiopia where they find safety for a time. Along the way, Valentino encounters enemy soldiers, liberation rebels, and deadly militias, hyenas, and lions, disease and starvation. But there are experiences ahead that will test his spirit in even greater ways than these. Truly epic in scope and told with expansive humanity, deep compassion, and unexpected humour, *What is the What* is an eye-opening account of life amid the madness of war and an unforgettable tale of tragedy and triumph. If there was ever any doubt that Dave Eggers is one of our most important storytellers, *What Is the What* should put it to rest. A strange, beautiful, and unforgettable work. *San Francisco Chronicle*. A remarkable book, harrowing, witty, wretched, delightful, and always compelling, always surprising. *London Review of Books*. All of the author's proceeds from this book will go to the Valentino Achak Deng Foundation. Read more at www.valentinoachakdeng.com. *How We Are Hungry* Dave Eggers, 2011-10-27 *How We Are Hungry* is a collection of Dave Eggers's short stories that twist and inspire the imagination. Dave Eggers has championed the cause of the short story so magnificently that through his own *McSweeney's* magazine and through its many imitators, the form is once again in the ascendant. Yet while celebrating the work of others, Eggers has also proved himself time and again one of the modern masters of the form. This unmissable collection is Eggers's first and showcases his talents in a variety of stories that are short, short, short, long, and every length in between, and in stories that are dark, funny, inspiring, daring, and endlessly inventive, including the acclaimed *Up the Mountain Coming Down Slowly*. In short, in stories that will make you appreciate that Dave Eggers and the short story were made for each other and in turn for you. Possibly the most admired and emulated American author of his generation. Independent. Brilliant. Confident. Floods of language. *Sunday Herald*. Intensely pleasurable. Striking in its beauty, a triumph of both form and content. *Guardian*. *The Every* Dave Eggers, 2021-11-16 From the award-winning bestselling author of *The Circle* comes an exciting new follow-up. When the world's largest search engine/social media company, the Circle, merges with the planet's dominant e-commerce site, it creates the richest and most dangerous and oddly enough, most beloved monopoly ever known. The Every. Delaney Wells is an unlikely new hire at the Every. A former forest ranger and unwavering tech skeptic, she charms her way into an entry-level job with one goal in mind: to take down the company from within. With her compatriot, the not-at-all-ambitious Wes Makazian, they look for the Every's weaknesses, hoping to free humanity from all encompassing surveillance and the emoji-driven infantilization of the species. But does anyone want what Delaney is fighting to save? Does humanity truly want to be free? Studded with unforgettable characters, outrageous outfits, and lacerating set pieces, this companion to *The Circle* blends absurdity and terror, satire and suspense while keeping the reader in apprehensive excitement about the fate of the company and the human animal. *American Literature* Hans
