White Horse By Alex Adams:

White Horse Alex Adams, 2012-04-24 A post apocalyptic thriller chronicling one woman's quest to nurture those she holds dear against the backdrop of a shockingly changed world When I wake the world is gone Only fragments remain And then I remember Before Her life may have taken a couple of wrong turns but Zoe is trying to make the best of what she has A part time cleaning job to pay for college a weekly appointment with her therapist to straighten out the problems in her life The same problems that any thirty year old would have Nothing major Nothing life threatening A few bad dream that's all After The only thought that remains is survival Survival in a desolate post apocalyptic world For herself For her unborn baby But help is scarce in a world where untold horrors exist around every corner where food and water are in desperately short supply and the only chance of happiness is half a world away Adams has an excellent sense of timing delivering gasp inducing moments that punctuate her nightmare with verve But it's Zoe's clear eyed sense of self preservation that will keep readers waiting for Adams follow up Kirkus

The White Horse Kenneth Levinson, 2018-07-12 Beware the White Horse Those were the words of a dying man as he vowed to return from the grave and wreak vengeance on his own malevolent son Adam Larsen the Denver lawyer with a penchant for crime solving is attacked on the seventeenth hole of a golf course by a knife wielding lunatic who claims that his father's ghost has returned to kill him Later the man is killed when he darts into the path of an oncoming minivan Larsen finds himself being stalked by a man in gray the same one who had been haunting Larsen's attacker Perhaps the dead man's fears had been well founded Curious now Larsen begins investigating the accident and soon encounters Karst a mysterious spiritual guide who clearly knows more than he is telling and whose cryptic answers only raise more questions Meanwhile Larsen's advice has led his lover and favorite private investigator Jana Deacon to uncover a hidden cache of gold coins a domineering husband had been concealing from his wife in a nasty divorce case When the man begins to threaten his wife and Jana Larsen becomes understandably concerned He discovers the husband is amassing assault gear including an AK47 and a stockpile of ammunition It's time Larson realizes for him to act But how can he stop a madman who is hell bent on murder And how can he do it without dozens of innocent people getting caught in the cross fire Larsen must find a way to out maneuver an avowed killer before time runs out And along the way he must solve the mystery of the White Horse
