Wicked Game By Matt Johnson:

Wicked Game Matt Johnson, 2016-03-01 Royalty Protection Team officer Robert Finlay is looking forward to a quieter life when two police officers are killed and their links to his own past becomes clear putting everyone's lives in danger. A startlingly authentic debut first in a page turning searing new series. **NUMBER ONE BESTSELLER** Shortlisted for the CWA John Creasey New Blood Dagger. LoveReading Debut of the Month. Tense and vivid writing. Matt Johnson is a brilliant new name in the world of thrillers. And he's going to be a big name. Peter James. From the first page to the last, an authentic, magnetic and completely absorbing read. Sir Ranulph Fiennes _____ 2001. Age is catching up with Robert Finlay, a police officer on the Royalty Protection team based in London. He's looking forward to returning to uniform, policing and a less stressful life with his new family. But fate has other plans. Finlay's deeply traumatic, carefully concealed past is about to return to haunt him. A policeman is killed by a bomb blast and a second is gunned down in his own driveway. Both of the murdered men were former Army colleagues from Finlay's own SAS regiment and in a series of explosive events it becomes clear that he is not the ordinary man that his colleagues, friends and new family think he is. And so begins a game of cat and mouse, a wicked game in which Finlay is the target, forced to test his long buried skills in a fight against a determined and unidentified enemy. **Wicked Game** is a taut, action packed, emotive thriller about a man who might be your neighbour, a man who is forced to confront his past in order to face a threat that may wipe out his future, a man who is willing to do anything to protect the people he loves. But is it too late? _____ Utterly compelling and dripping with authenticity. This summer's must read thriller. J S Law. Out of terrible personal circumstances, Matt Johnson has written a barnstormer of a thriller. Nothing is clear cut in a gripping labyrinthine plot which, despite thrills and spills aplenty, never falls short of believable. David Young. **Wicked Game** has the authenticity I look for in a thriller. While the plot kept me turning pages, the characters made me care. Matt writes like a man who has lived it. Kevin Maurer. Johnson litters his tale with the plotting equivalent of incendiaries. Cops we don't quite trust, a career that came abruptly to an end, a secret needing to be kept. Gripping stuff.
