

Assessor Portal User Guide 6 - Completing an Assessment (ACAT)

Aged Care Assessment Team (ACAT) assessors can conduct assessments using the Integrated Assessment Tool (IAT) via:

- The assessor portal (this guide), the Aged Care Assessor app and uploading information onto the assessor portal when the assessor next has internet connectivity, a printed or blank copy of the IAT and entering information onto the assessor portal after the assessment has been undertaken.
- This user guide is for an assessor role in the system.
- If you have only been assigned an administrator role, you will not be able to view or complete assessments in the assessor portal.
- For more information about completing an assessment see the [Integrated Assessment Tool \(IAT\) User Guide](#).

From 1 July 2024, the Integrated Assessment Tool (IAT) will replace the National Screening and Assessment Form (NSAF). NSAF assessments that have been commenced and saved prior to 1 July 2024 (i.e. status "in-progress"), should be completed using the NSAF. All assessments commenced by assessors on or after 1 July 2024 will be completed using the IAT.

Also, from 1 July 2024, the Aged Care Assessor App will replace the myAssessor App for new assessments. Any assessments that are in-progress in the myAssessor App prior to 1 July 2024, will need to be completed using the myAssessor App. All assessments commenced on or after 1 July 2024, will need to be completed in the Aged Care Assessor App (or the Portal) using the IAT.

For more information regarding the Aged Care Assessor App please refer to the [Aged Care Assessor App User Guide](#).
