Donoghue, Daniel Donoghue, Sebastian Sobiecki, Nicholas Watson, 2024 New and exciting scholarship on medieval and early modern English culture in all its diversity This book honours James Simpson an enormously influential figure in English literary studies Known for championing once neglected writers such as Geoffrey Chaucer and Lydgate Simpson has also pioneered the field of Trans Reformation studies dismantling the barrier between the medieval and early modern periods He has written powerfully about the history of freedoms the relationship between literary and intellectual history and about the category of the literary itself in all its urgency Inspired by Simpson's interventions the essays collected here deal with texts and topics from the eighth to the seventeenth centuries Langland's Piers Plowman and Chaucer's Physician's Tale and Troilus and Criseyde rub shoulders with Old English riddles Saint Erkenwald The Digby Lyrics Lydgate's Dietary and Lodge's Robert the Devil Revisionist studies of two much debated genres allegory and romance join forces with chapters on neglected physical features of early books line fillers and catchwords as well as studies of iconoclasm and the histories of enemy love The volume begins with a piece by the honoree himself on recognition in literary texts Advanced Missiology Kenneth Nehrbass, 2021-04-02 Advanced Missiology draws the connections between the theory and practice of missions Using the metaphor of a river the book shows how theories upstream such as theology education anthropology community development and history have exerted an influence on missiology and missiology in turn has gone back upstream to influence those disciplines What causes these disciplines to converge in missiology is the goal of making disciples across cultures Whereas missiologists are not always explicit about how their abstract theories actually relate to the task of making disciples across

cultures each chapter in Advanced Missiology shows how numerous theories sub fields models and strategies of missiology ultimately facilitate the Great Commission The book argues that by using interdisciplinarity for this fundamental purpose missiological studies will be more credible and useful With contributions from Rebecca Burnett Leanne Dzubinski Julie Martinez Fresh Oil, Holy Fire, New Wine Study Guide Samuel Rodriguez, 2024-09-10 Tap into God's Limitless Resurrection Power Inside of You Diving deeper into the transformative insights and teachings from Fresh Oil Holy Fire New Wine international bestselling author Pastor Samuel Rodriguez challenges you to reconsider what you know about and how you relate to the Holy Spirit In this hands on study guide he gives you practical tools and biblical strategies to tap into the limitless resurrection power inside of you including powerful Scriptures thought provoking Bible study questions real world application and instruction self reflection prompts empowering encouragement Here is everything you need to align appropriate and unleash the promise power and purpose of the Holy Spirit in all areas of your life starting today
