that Revelation extends far beyond its strictly Middle East Christic origin It transcends religious dogma bridges religious faiths and explains nineteen hundred years of troubling events in Christianity and Islam with amazing clarity and prescience It is amazingly detailed and thorough The author s stylish rhetoric is colorful and alive and his book beautifully crafted and researched making for an engaging enlightening and thought provoking read In the end a scholarly Translation Section decodes original Greek and Hebrew sources Its strikingly lively translation sticks to the intention of the Greek original It provides an authoritative base for his distinctive Parallel Interpretation For anyone striving to penetrate the hidden secrets of the Apocalypse *Apocalypse Secrets* is a must reading This exceedingly interesting book will influence many future works about the subject and become a template of understanding and peace for all After they read it people who are interested in prophecy will never look at the Book of Revelation the same again Visit www.apocalypseinfo.com for more [Kuan Yin Opens the Door to the Golden Age](#) ,1983 [Nathan's Story](#) Luke Hartwell,2014-03-03 Large print edition Hartwell s Nathan s Story is a powerful follow up to his *Atom Heart John Beloved* While this is a stand alone work reading *Atom Heart* first is recommended However if you re thinking this is going to be the same story told from another character s POV think again The introduction of an attractive new character Harper adds a new dimension to the narrative Hartwell intertwines the story of Nathan and Harper with the story of Nathan and John while avoiding a rehash of old information Like the first book *Nathan s Story* makes readers think covers some controversial ground can produce tears and will also bring plenty of smiles
