Balance Of Forces Toujours Ici:

Balance of Forces Ali Vali, 2011-11-17 Kendal Richoux's life began during the reign of Egypt's only female pharaoh. After accepting the opportunity to drink the elixir of the sun, Kendal becomes immortal and the Genesis Clan's slayer. History has taught her the dangers of getting too close to anyone who hasn't harnessed the power of time. After many years, she returns to New Orleans to finish a job she's trained for all her life. It's time for her to face her brother Henri and it will have dire consequences to mankind if she fails. Piper Marmande believes Kendal has come to take over the company her family has built over generations. As Kendal prepares for the most important battle of her long life, Piper does her best to uncover every one of Kendal's secrets, making herself a distraction Kendal can't afford as she hunts Henri and Ora, the vampire who seduced him to a life of darkness.

Force of Fire: Toujours a Vous Ali Vali, 2018-07-17 Immortals Kendal and Piper welcome their new child and celebrate the defeat of an old enemy by returning to their home outside New Orleans. The last battle was hard but promises to bring peace to their lives for years to come. Now Piper wants to expand her power as a seer and hear Kendal's history while they enjoy a normal life. In the deep jungles of Costa Rica, far from the watchful eyes of Rolla and the Genesis Clan, the priests of the ancient order of Fuego have found the tablets that will allow them to finish the incantations that will awaken their greatest treasures. Some of the Fuego members believe the old stories were pure fiction, but Alejandro Garza's family are true believers. Far from the peace they'd hoped for, Kendal and Piper are forced into action to reach Garza and his followers before he awakens the army of dragons that sleep forgotten in the rain forests.

The Devil You Know Ali Vali, 2024-07-09 Cain Casey has much to be thankful for: a loving wife in Emma, three beautiful children, and an ever-expanding family. Her business continues to grow, giving her the power to keep it all safe, but is it? Unknown federal agents are not playing by the government's rules, and the Russian mob comes seeking revenge for the losses Cain's inflicted. Cain and Emma have agreed to partner with the local feds to root out their rogue agents, but their goals for the endgame are completely different. Cain wants to remove the threat the way she knows is best, permanently. There is also Nicola Antakov, who she plans to handle the same way Cain Casey is: the devil you know. She loves her family and will do anything to keep them safe and whole.

Lucky Loser Yolanda Wallace, 2011-11-01 In the high stakes world of women's tennis, love means nothing. Or at least that's how Sinjin Smythe sees it. Then she begins to fall for her friend and former doubles partner, Laure Fortescue. Having had her heart broken by one player, Sinjin isn't willing to have it happen again. The talented but oft-injured Brit enters Wimbledon, fighting her feelings and struggling to resurrect her career. Laure Fortescue has fame, fortune, and a ranking inside the top ten. She has everything she ever wanted, everything except Sinjin Smythe. As a rule, Laure doesn't date other players. A rule she would gladly break if it means winning Sinjin's heart. Both women reach Wimbledon desperate to claim tennis's crown jewel, Sinjin, because it would be her greatest victory, Laure, because it could be her last. Where does love fit in a game that only one can win?
