Integrating Sustainable Development Into National Frameworks Janet R. Strachan, Constance Vigilance, 2011 This book brings policy making for sustainable development into the mainstream of decision making at all levels of governance and in all sectors It builds on the 2005 internationally agreed Mauritius Strategy which aims to implement the integration of sustainable development by small island developing states Designed as a handbook for policy makers and planners in government as well as business and civil society leaders it covers seven of the twenty issues that have been outlined in the Mauritius Strategy as being important for the sustainable development of SIDS disaster management marine resources freshwater resources land resources energy resources tourism resources and trade It brings together best practices policy

options and development prospects that small states can pursue in order to achieve real progress in these fields It covers the progress and experiences of countries in the Caribbean region the Pacific region and the Atlantic Indian Ocean and Mediterranean region in their implementation of sustainable development in these areas It also provides a useful point of reference and stimulus to policy makers and their supporting colleagues from all sectors Assessing Vulnerability to Global Environmental Change Anthony G. Patt, Richard J. T. Klein, Dagmar Schröter, Anne Cristina De la Vega-Leinert, 2012

First Published in 2008 Routledge is an imprint of Taylor Francis an informa company **The Diplomacies of Small States** A. Cooper, T. Shaw, 2009-04-08 This is an in depth analysis of the various methods used by small states to overcome their vulnerabilities in the international arena With its balanced approach and variety of contributions this book is of interest to researchers and academics who focus on the developing world or multilateral diplomacy **Entrepreneurship in Small Island States and Territories** Godfrey Baldacchino, 2015-05-15 Entrepreneurship in Small Island States and Territories is the first publication to consider the creative side of enterprise in small island states and territories Rather than playing out as remote vulnerable and dependent backwaters of neo colonialism the world s small island states and territories with resident populations of less than 1 million show considerable resourcefulness in facing up to the very real challenges of their predicament The creative endeavours of their residents facilitated by adroit public policy has created economic and investment opportunities that translate into some private sector employment and decent livelihoods for many Their ingenuity coupled with strategic investments and the support of the diaspora has led to a suite of sometimes unlikely products and services from citizenship and higher level internet domain names to place branded foods and beverages from electronic gaming to niche manufacturing There is much more to small island survival than subsistence farming aid remittances and public sector workfare Entrepreneurship in Small Island States and Territories helps to dispel this myth showcasing an aspect of life in small island states and territories that is rarely documented or critically reviewed **Tax Havens and Sovereignty in the Pacific Islands** Anthony B. Van Fossen, Kristy Chambers, 2012 In recent years many countries in Oceania have developed tax havens Using their sovereignty Pacific Islands countries have profited by providing offshore havens from metropolitan taxation and regulation Tax Havens and Sovereignty in the Pacific Islands surveys the timely important and controversial topic of Pacific Islands tax havens havens currently holding hundreds of billions of dollars

Disaster Relief in the Asia Pacific Minako Sakai, Edwin Jurriëns, Jian Zhang, Alec Thornton, 2014-01-03 A UN report recently found that the Asia Pacific is the world s most disaster prone region Indeed considering that the region accounts for more than half of the total number of disasters in the world building capacity and resilience to mitigate the devastating impact of disasters is a pressing task for local actors This book takes a regional multidisciplinary and multi actor approach to improve understandings of how various actors respond to natural and human induced disasters in the Asia Pacific region It examines the ideas and activities of four different categories of agents civil society military and state institutions local

cultural knowledge and the media and economic initiatives and these themes are approached from various academic disciplines ranging from anthropology and cultural studies to economics human geography and political science The contributors draw their findings from a variety of countries in the region including China Fiji India Indonesia Japan Myanmar and Samoa and importantly focus on the interconnection between vulnerability and resilience In turn the book highlights how the nature and magnitude of disasters are influenced by social conditions and aims to contribute to policies that prioritize development opportunities to enhance resilience Further it explores the complicated and multifaceted role of agency in building resilience and presents a comparative framework for analysis and key findings from the Asia Pacific region The focus of this book on recent and ongoing disasters makes it a topical and timely contribution to the growing field of disaster management and as such it will appeal to students and scholars of environmental studies development studies and Asian politics

Mediterranean Islands and Sustainable Tourism Development Dimitri Ioannides, Yiorgos Apostolopoulos, Sevil F. Sönmez, 2001 Due to their fragile economies and infrastructures research on Mediterranean islands reveals a great deal about the impact of tourism This volume focuses on issues specific to tourism in the Mediterranean with contributors from the United States the United Kingdom and continental Europe
