The Miles Davis Lost Quintet and Other Revolutionary Ensembles Bob Gluck, 2017-11-16 Miles Davis's *Bitches Brew* is one of the most iconic albums in American music, the preeminent landmark and fertile seedbed of jazz fusion. Fans have been fortunate in the past few years to gain access to Davis's live recordings from this time when he was working with an ensemble that has come to be known as the Lost Quintet. In this book, jazz historian and musician Bob Gluck explores the performances of this revolutionary group, Davis's first electric band, to illuminate the thinking of one of our rarest geniuses and, by extension, the extraordinary transition in American music that he and his fellow players ushered in. Gluck listens deeply to the uneasy tension between this group's driving rhythmic groove and the sonic and structural openness, surprise and experimentation they were always pushing toward. There, he hears and outlines a fascinating web of musical interconnection that brings Davis's funk-inflected sensibilities into conversation with the avant-garde worlds that players like Ornette Coleman and John Coltrane were developing. Going on to analyze the little-known experimental groups Circle and the Revolutionary Ensemble, Gluck traces deep resonances across a commercial gap between the celebrity Miles Davis and his less famous but profoundly innovative peers. The result is a deeply attuned look at a pivotal moment when once disparate worlds of American music came together in explosively creative combinations.

Let's Talk 1 Class Audio CDs Leo Jones, 2001-11-19 Let's Talk is a three-level speaking and listening series that takes students from a high beginning to a high intermediate level. A set of two class Audio CDs features all the listening activities from the Student's Book. The engaging task-based listening activities focus student listening and are recorded in natural conversational American English. The Audio program features interviews, conversations, news reports and other interesting listening texts. Many of the recorded dialogs are unscripted to ensure that they reflect English as it is actually spoken in a variety of realistic situations. About half of the class recordings are repeated on the self-study CD packaged with the Student's Book, accompanied by additional exercises. The class listening program is also available on Audio Cassettes.
