## **Baptist Deacon Study Guide:**

**Deacon Training** Kate Ward-Turner, 2008-05 Indifference toward deacon development places the church in a precarious state. By and large, congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office. When pastor and congregation disregard the need to have trained deacons, the office is allowed to recede into one of mere honor rather than service established in Christ. On the other hand, trained deacons or those in training discover exciting opportunities with which the office of deacons is filled. They come to perceive the office as one of service rather than honor. The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor. Unquestionable, God is looking for a special breed of deacons: a New Testament breed who are Spirit-filled and qualified. To say that deacons are qualified is to say also that they are trained for the work of deacons. [Study Guide to My Antonia and Other Works by Willa Cather](#) Intelligent Education, 2020-06-28 A comprehensive study guide offering in-depth explanation, essay, and test prep for selected works by Willa Cather who received a Pulitzer Prize in 1923. Titles in this study guide include *My Antonia*, *O Pioneers*, *The Song of the Lark*, *One of Ours*, and *Death Comes for the Archbishop*. As an author of twentieth-century literature, Cather wrote about pioneer farming and post-World War I pessimism. Moreover, her work had a characteristic style and contained themes like idealism and closeness to nature. This Bright Notes Study Guide explores the context and history of Cather's classic work, helping students to thoroughly explore the reasons they have stood the literary test of time. Each Bright Notes Study Guide contains Introductions to the Author and the Work, Character Summaries, Plot Guides, Section and Chapter Overviews, Test Essay, and Study Q. As the Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research. **The New Testament Deacon** Alexander Strauch, 1995-09-01 A six-lesson study supplement causes the reader to think more biblically about the deacons with practical ideas for the work and for encouragement. This is a matter truly dear to the heart of God. *The Deacon Ministry Handbook* Alan Witham, 2023-01-31 If you ask any pastor what keeps their church moving forward, they will likely point to the serving work of the deacon. These special men are the foundation of healthy churches because of their unique servant leadership role, no matter the church size. Typically, they visit the homebound and the sick, as they care and pray for those in need. Seeing the actions of these servants assists aspiring deacons in understanding what a deacon does, but it does not equate to understanding what a deacon is. Through this book, Alan Witham, Steve Rice, and their teammates bring clarity to the role of deacon by providing a practical guide that serves as *The Deacon Ministry Handbook*. The authors bring decades of local church experience, having served as deacons, pastors, and consultants. **The Case for Heaven (and Hell) Bible Study Guide plus Streaming Video** Lee Strobel, 2021-10-19 Is there convincing evidence for eternal life after death? **Women Deacons and Deaconesses** Charles W. Deweese, 2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life Most Baptist individuals and churches have strongly opposed women deacons Some Baptist associations have even disfellowshipped churches that have approved women deacons And women in general have been suppressed by many recent actions of the Southern Baptist Convention thereby affecting women deacons However thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions The book presents arguments on both sides of the topic but lands squarely in support of women deacons

gifts the Spirit bestows to believers for ministry Charismatic interpretations concerning the gifts of the Spirit revolve around speaking in tongues as the primary identifier of being filled with the Spirit which most expository preachers and scholars view as an incorrect interpretation This study seeks to answer these problems in the quest of unifying both preaching methods
