

Usher Guidelines

Please meet in the east foyer at 10:15 for the usher meeting.

Ushers are considered part of the worship staff whose role is to enhance the worship experience for those in attendance. In addition to providing bulletins for worshippers and collecting the offering, ushers also play an important role in community building through their welcoming and greeting of individuals and through their role in answering questions and directing individuals in need of assistance. Ushers assist worshippers with seating prior to and during the service and help late comers enter worship in the least disruptive way. The ushers also serve in a security role, noting any unusual or suspicious activity and responding accordingly.

Building Security

**We have a person who walks the building during the worship service.
Ushers are on duty during worship in all four foyers to observe these areas.**

Pullen does not lock any doors coming into the building during worship. The back door remains open. The door to the Siler cellar is kept locked. Ushers are asked to be aware of their environment and persons walking around. As a general rule, there should not be any meandering in the building during worship. Adults, children or youth should not be sitting in empty classrooms or roaming around. When the security person finds a child roaming the building they take the child to the appropriate place. When they find a youth (or adult) roaming the building they bring them to a foyer area so that they can sit on a couch or chair and be observed by an usher during worship or go to worship. Foyer ushers need to be aware of persons who enter the building and do not go directly into worship, who appear suspicious, who appear to be roaming in the building, particularly if you do not recognize them. If a situation arises that seems suspicious, use your judgment and/or get someone to go with you to check out the situation.

Supervisor of Ushers and Greeters

The supervisor of ushers oversees the ushers and greeters for Sunday worship services. The supervisor:

1. Recruits and trains all ushers and greeters.
2. Maintains the master worship schedule and email list of all ushers and greeters.
3. Assigns head ushers to usher teams.
4. Works with the youth minister in the recruitment of youth ushers.
5. Works with the pastors and staff regarding additional worship needs or concerns.
6. Works with the pastors with additional scheduled worship services.
7. Communicates with the head ushers on a regular basis about issues and concerns.
8. Communicates with the ushers and/or greeters about matters of interest or concern.
9. Works with staff and usher crews to coordinate any special worship handouts.
10. Reports to the Worship Council as needed.
11. Makes decisions as needed on issues that affect ushers and greeters.
