Find your breath. Find a column of light following your breath, from the top of your head to the bottom of your spine. Take your time, and let the light find you, as you find the light inside yourself.

Let your gaze be soft, and using your inner sight, see yourself as a column of white light. See your whole body as light. See yourself relaxed, and whole, and radiant. This is your light body. This is your Higher Self.

Place your tongue lightly on the roof of your mouth. Breathe. See yourself as transparent, as pure energy. Stay perfectly still, and relaxed, and continue to breathe in even breaths. Notice you are able to observe yourself as you do this.

Place your attention on the crown of your head. Let your next breath enter your body through this area. You may feel sensations at your crown. Simply notice them, and continue to breathe gently.

Now, using your senses, take notice of what is around you. Do you see something, or someone? Do you hear anything? What is it telling you? Can you taste or smell anything? What is it? Honor your senses; they are here to assist you. Take your time. This is like prayer. It goes on until it is done. This message is just for you.

Ask your Higher Self, what is the teaching here? What teaching is there for my light body today? See if you can get a message, a sensory image. You will know when it is completed. Now, put your focus back on your light body, and the column of light, with each breath. Let your eyes begin to focus on the space around

Everybody is in debt except the people at the very top, who have huge amounts of money; however, these people can be kept in place by blackmail. Data on their private lives is collected, just in case it will be useful later. Anyone who gets honest and tries to change the system is a threat. Whistleblowers, who often lose their jobs and sometimes their families, are in great danger. This self-perpetuating system gives great control, financial rewards, and freedom to the people at the top, who are then controlled by political and financial systems that support their companies. Through pyramids in corporations and large systems, the Elite runs America. This is why the dollar has a pyramid with an all-seeing eye at the top.

Occasionally, people at the top create a *flaming*, when a pyramid is collapsed and the resources are moved elsewhere, as occurred with Enron.

This often happens when the whistle-blowers appear. The people at the very top of big pyramids, such as the Federal Reserve System, are given orders by a few of the richest families in the world. This system is what
