Walkscapes Francesco Careri,2017-12-25 Walkscapes deals with strolling as an architecture of landscape Walking as an autonomous form of art a primary act in the symbolic transformation of the territory an aesthetic instrument of knowledge and a physical transformation of the negotiated space which is converted into an urban intervention From primitive nomadism to Dada and Surrealism from the Lettrist to the Situationist International and from Minimalism to Land Art this book narrates the perception of landscape through a history of the traversed city *Subject Guide to Children's Books in Print 1997* Bowker Editorial Staff,R R Bowker Publishing,1996-09 *Airport Engineering* Norman J. Ashford,Saleh Mumayiz,Paul H. Wright,2011-04-26 First published in 1979 Airport Engineering by Ashford and Wright has become a classic textbook in the education of airport engineers and transportation planners Over the past twenty years construction of new airports in the US has waned as construction abroad boomed This new edition of Airport Engineering will respond to this shift in the growth of airports globally with a focus on the role of the International Civil Aviation Organization ICAO while still providing the best practices and tested fundamentals that have made the book successful for over 30 years **Metafolklore** Alexander V. Avakov,2012-12 The book is organized in Folklore Units Each Folklore Unit has Context and may have one or more Metacontexts with citations of works of great philosophers or writers hence the title of the book is Metafolklore The book covers the life of immigrants from the USSR in the U S remembers life in Russia and gradually concentrates on the modus operandi of the KGB FBI CIA NYPD NSA ECHELON Foreign Intelligence Surveillance Court Al and ISI It covers

frontiers of legal theory of surveillance What distinguishes this book is the intensely personal account of the events and issues

The Almanac of British Politics Robert Waller, Byron Criddle, 1999 The Almanac of British Politics is a guide to the political status of the United Kingdom It covers in detail each of the constituencies sending representatives to the House of Commons It includes sketches of all serving MPs

The Everyday Life of Global Finance Paul Langley, 2008-05-08 In the US and the UK saving and borrowing routines have changed radically Consumer borrowing has risen dramatically there have been upheavals in pensions crises of sub prime mortgages and an increased popularity of mutual funds This book is an innovative contribution to the social scientific debates about these issues and contemporary finance

Handbook of Human Factors in Litigation Y. Ian Noy, Waldemar Karwowski, 2004-12-28 Using ergonomics in forensics can help prevent the recurrence of system failures through engineering or administrative controls It can also raise the level of concern among professionals and the public regarding product workplace and service safety due to perceived exposure to liability Even with such a potentially important and broad impact f

Britain Votes 1997 Hansard Society for Parliamentary Government, 1997 In Britain Votes a prestigious array of writers provide a detailed appraisal of the 1997 British government election Fifteen incisively written and well integrated articles carefully analyse the party campaigns the media and the results In depth assessment of developments in each of the main parties from 1992 to 1997 is also given covering their aims and objectives organization factionalism leadership contests and their battle for the centre ground in politics Britain Votes is essential reading for anyone with a serious interest in British politics or elections

Autocar , 1999

Building a Market Richard Harris, 2012-08-27 Each year North Americans spend as much money fixing up their homes as they do buying new ones This obsession with improving our dwellings has given rise to a multibillion dollar industry that includes countless books consumer magazines a cable television network and thousands of home improvement stores Building a Market charts the rise of the home improvement industry in the United States and Canada from the end of World War I into the late 1950s Drawing on the insights of business social and urban historians and making use of a wide range of documentary sources Richard Harris shows how the middle class preference for home ownership first emerged in the 1920s and how manufacturers retailers and the federal government combined to establish the massive home improvement market and a pervasive culture of Do It Yourself Deeply insightful Building a Market is the carefully crafted history of the emergence and evolution of a home improvement revolution that changed not just American culture but the American landscape as well

Remote Sensing and Urban Analysis Jean-Paul Donnay, Mike J. Barnsley, Paul A. Longley, 2000-12-21 One of the key geographical developments over the last two centuries has been that of urbanisation In recent years this has exploded globally particularly in developing countries It is essential for governments planners and researchers in geography and allied fields to understand this process and the main way of being able to do this is to accu

Ecology and Management of Black-tailed and Mule Deer of North America James R. Heffelfinger, Paul R. Krausman, 2023-04-27 Choice Outstanding Academic Title 2024 Black tailed

and mule deer represent one of the largest distributions of mammals in North America and are symbols of the wide open American West Each chapter in this book was authored by the world's leading experts on that topic Both editors James R Heffelfinger and Paul R Krausman are widely published in the popular and scientific press and recipients of the O C Wallmo Award given every two years to a leading black tailed and mule deer expert who has made significant contributions to the conservation of this species In addition Heffelfinger has chaired the Mule Deer Working Group sponsored by the Western Association of Fish and Wildlife Agencies for more than 15 years This working group consists of the leading black tailed and mule deer experts from each of 24 states provinces and territories in western North America putting them at the forefront of all conservation and much of the research on this species The book represents all current knowledge available on these deer including how changing conditions such as fires habitat alteration and loss disease climate change socio economic forces energy development and other aspects are influencing their distribution and abundance now and into the future It takes a completely fresh look at all chapter topics The revisions of distribution taxonomy evolution behavior and new and exciting work being done in deer nutrition migration and movements diseases predation and human dimensions are all assembled in this volume This book will instantly become the foundation for the latest information and management strategies to be implemented on the ground by practitioners and to inform the public Although this book is about deer the topics discussed influence most terrestrial wildlife worldwide and the basic concepts in many of the chapters are applicable to other species

Culture and the Middle Classes Simon Stewart, 2016-05-13 This book is a sociological study of a societal grouping that has the popular title middle class It argues that it is more precise to describe the middle classes as dominant groupings and the book draws upon a wide range of characters from such groupings In a detailed analysis of cultural practices those making an appearance include omnivores carnivores herbivores the middle brow traditional culture vultures middle class plunderers the urban arts eclectic and the English gentleman There is a particular focus on those expressing the silver disposition predominantly affluent middle aged and white with a taste for conspicuous consumption and established cultural forms The book brings together a range of disparate sources on the middle classes and offers a sustained engagement with the concept of culture It illustrates the extent to which social groups utilize the various assets at their disposal and seek to maintain the legitimacy of their cultural practices The findings emphasise the continuing link between class and taste Culture and the Middle Classes will be of interest to those working in the fields of class and culture across a range of disciplines including sociology cultural studies social theory media studies and cultural anthropology

The Almanac of British Politics Byron Criddle, 2005-08-19 This new edition of The Almanac of British Politics has been thoroughly revised and updated since the second successive Labour election victory in 2001 It is firmly established as the definitive guide to the political map of the United Kingdom covering in detail each of the constituencies sending representatives to the House of Commons It also contains insightful biographical sketches of every single Member of Parliament The Almanac gives a

comprehensive seat by seat analysis of all parliamentary constituencies describing their social economic and political characteristics This edition also includes new statistics for each seat including electorate and turnout average property values per constituency unemployment premature mortality index and rank order financial deprivation This is the essential reference work on British politics for students academics journalists and psephologists **Assessment of Training Noise Impacts on the Red-Cockaded Woodpecker: 1999 Results , The Great Society Subway** Zachary M. Schrag, 2014-08 As Metro stretches to Tysons Corner and beyond this paperback edition features a new preface from the author Drivers in the nation s capital face a host of hazards high speed traffic circles presidential motorcades jaywalking tourists and bewildering signs that send unsuspecting motorists from the Lincoln Memorial into suburban Virginia in less than two minutes And parking Don t bet on it unless you re in the fast lane of the Capital Beltway during rush hour Little wonder then that so many residents and visitors rely on the Washington Metro the 106 mile rapid transit system that serves the District of Columbia and its inner suburbs In the first comprehensive history of the Metro Zachary M Schrag tells the story of the Great Society Subway from its earliest rumblings to the present day from Arlington to College Park Eisenhower to Marion Barry Unlike the pre World War II rail systems of New York Chicago and Philadelphia the Metro was built at a time when most American families already owned cars and when most American cities had dedicated themselves to freeways not subways Why did the nation s capital take a different path What were the consequences of that decision Using extensive archival research as well as oral history Schrag argues that the Metro can be understood only in the political context from which it was born the Great Society liberalism of the Kennedy Johnson and Nixon administrations The Metro emerged from a period when Americans believed in public investments suited to the grandeur and dignity of the world s richest nation The Metro was built not merely to move commuters but in the words of Lyndon Johnson to create a place where the city of man serves not only the needs of the body and the demands of commerce but the desire for beauty and the hunger for community Schrag scrutinizes the project from its earliest days including general planning routes station architecture funding decisions land use impacts and the behavior of Metro riders The story of the Great Society Subway sheds light on the development of metropolitan Washington postwar urban policy and the promises and limits of rail transit in American cities
