Divine Likeness Marc Cardinal Ouellet, 2006-06-15 Marked by growing freedom and equality today's families are also dogged by brokenness and loss of faith And while the theology of marriage has developed remarkably under the impetus of the Second Vatican Council and Pope John Paul II the theology of the family remains in its infancy only beginning to meet the challenges of contemporary society In Divine Likeness Marc Cardinal Ouellet points the way to a much needed theology of the family grounded in the doctrine of the Trinity Cardinal Ouellet understands family life to be a sacrament of Trinitarian communion a crucial source for revealing and inspiring a new sense of God's presence in the faith community This book will help theologians pastors and believers to develop fruitfully the legacy of Pope John Paul II carrying forward the quest to let the Trinity and the family illuminate each other for the good of today's world Memorials of the Wesley Family George

Common Things Robert Evans Peterson, 1857 **Decadence and Catholicism** Ellis Hanson, 1997 Romantic writers had found in Christianity a poetic cult of the imagination an assertion of the spiritual quality of beauty in an age of vulgar materialism The decadents a diverse movement of writers were the climax and exhaustion of this romantic tradition In their art they enacted the romance of faith as a protest against the dreariness of modern life Ellis Hanson teases out two strands eroticism and aestheticism that rendered the decadent interest in Catholicism extraordinary More than any other literary movement the decadents explored the powerful historical relationship between homoeroticism and Roman Catholicism Why throughout history have so many homosexuals been attracted to Catholic institutions that vociferously condemn homosexuality This perplexing question is pursued in this elegant and innovative book Late nineteenth century aesthetes found in the Church a peculiar language that gave them a means of artistic and sexual expression The brilliant cast of characters that parades through this book includes Oscar Wilde Charles Baudelaire J K Huysmans Walter Pater and Paul Verlaine Art for these writers was a mystical and erotic experience In decadent Catholicism we can glimpse the beginnings of a postmodern valorization of perversity and performativity Catholicism offered both the hysterical symptom and the last hope

for paganism amid the dullness of Victorian puritanism and bourgeois materialism
