Here Come The Coeds:

College Girls Lynn Peril, 2013-12-16 The author of *Pink Think* takes on a twentieth century icon the college girl A geek who wears glasses Or a sex kitten in a teddy This is the dual vision of the college girl the unique American archetype born when the age old conflict over educating women was finally laid to rest College was a place where women found self esteem and yet images in popular culture reflected a lingering distrust of the educated woman Thus such lofty cultural expressions as *Sex Kittens Go to College* 1960 and a raft of naughty pictorials in men s magazines As in *Pink Think* Lynn Peril combines women s history and popular culture peppered with delightful examples of femoribilia from the turn of the twentieth century through the 1970s in an intelligent and witty study of the college girl the first woman to take that socially controversial step toward educational equity

Campus Life in the Movies John E. Conklin, 2014-01-10 Hollywood films have presented audiences with stories of campus life for nearly a century shaping popular perceptions of our colleges and universities and the students who attend them These depictions of campus life have even altered the attitudes of the students themselves serving as both a mirror of and a model for behavior One can only imagine how many high school seniors enter college today with the hopes of living the proverbial Animal House or PCU Greek experience or how many have worried over the SAT and college admissions after watching more recent movies like 2004 s *The Perfect Score* This book explores themes of college life in 681 live action theatrically released feature length films set in the United States and released from 1915 through 2006 evaluating how these movies both reflected and distorted the reality of undergraduate life Topics include college admissions the freshman experience academic work professor student relations student romance fraternity and sorority life sports political activism and other extracurricular activities The book also includes a complete filmography and 66 illustrations

Evening the Score Jan Bell Groh, 1994-07 Despite the suffragist activities of the 1920s and the heightened pressures brought to bear on traditionally male only institutions in American society during the past three decades many vocations remain sanctuaries of male dominance One such area is the classical music world though as Jan Bell Groh asserts in *Evening the Score* inroads into this field have been made sometimes at great cost At the center of

this work is a unique set of newsletters edited and published by F. D. Petrides one of America's first and most influential female conductors. In Petride's time most women musicians were forced to ply their trade in all female orchestras through the thirty-seven issues of *Women in Music* published from 1935 to 1940 the achievements of these musicians were championed and the prejudices, misconceptions and deliberately discriminatory policies of many of their male counterparts were exposed and condemned. *Evening the Score* is an ambitious endeavor that seeks not only to preserve these early documents and explain them within the context of the 1930s music industry but also to garner for Petrides the long overdue praise to which she is entitled. It is at once a celebration and a source of inspiration. [Halliwell's Film Guide](#) Leslie Halliwell, 1989. Totally updated and revised for the sixth edition this book includes more than one thousand new entries plus entertaining and informative data on more than 16 thousand English language films 100 photos **City of Dreams** Bernard F. Dick, 2021-11-09. Horror films Deanna Durbin musicals Francis the talking mule Ma and Pa Kettle Ross Hunter weepies Theme parks E.T. 1982 Apollo 13 1995 These are only a few of the many faces of Universal Pictures. In February 1906 Carl Laemmle German immigrant and former clothing store manager opened his first nickelodeon in Chicago where he quickly moved from exhibition to distribution and then to film production. A master of publicity and promotions within ten years Uncle Carl had moved his entire operation to Southern California founded a city and established Universal Pictures as one of the major Hollywood studios. In *City of Dreams* Bernard F. Dick traces the history of Universal Pictures from its humble early origins to the modern day and analyzes the studio's films from horror flicks featuring Karloff and Lugosi to comedies starring Abbott and Costello and W.C. Fields. Dick details how the Laemmle family was eventually forced out of the Universal empire replaced by a string of studio heads who entered and exited one after another the beginning of the age of corporate Hollywood which transformed Universal Pictures into NBCUniversal a subsidiary of Comcast. Dick explains how the Universal International merger in 1946 Decca's stock takeover in the early 1950s and MCA's buyout in 1962 all presaged today's Hollywood where the art of the deal often eclipses the art of making movies. Ultimately although stars and executives have come and gone shaping and reshaping the studio's image Universal's revolving globe logo has lit up screens around the world through it all. *Movies on TV, 1988-1989* Steven H.
